Dietz,2014-04-01 An FBI special agent finds her personal and professional lives colliding in this crime novel by a New York Times bestselling author FBI Special Agent Christina Rossi had it all for a while a loving family a career on an upward track the works Then a takedown of some eco terrorists turned unexpectedly bloody questions are being asked and the fast track is nothing but a memory as she doggedly pursues a slave labor case that might involve a Chinese mob and might be a complete bust The family went away during an ugly divorce and her ex husband s high end life with a beautiful upscale new wife has lured her daughter into a risky social circle and turned her against her mother Things are almost too good to be true when a new man in her life Jack Dexter handsome smart and very well off brings about a startlingly wonderful romance and a change in her day to day circumstances and even connects her to some information on the seemingly dead end case she won t give up Too

good to be true turns out to be what's going on when a pervert's murder starts to unfold Dexter's dark secrets her case begins turning into an uncontrollable monster and her daughter's life hangs in the balance      **School Violence Prevention Manual.
