unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends On Loop Alex Werth, 2025-10-21 How struggles over Black sound have shaped Oakland's culture politics and geography Chicago has house Detroit has techno But Oakland slaps On Loop explores the role of Black dance music and sonic politics in recurring struggles over race and space in Oakland California Insisting on the centrality of sound in everyday social movements from the mobilization of funk music and boogaloo dance during Black Power to the policing of the Hyphy movement in the 2000s Alex Werth argues that Black dance music is not merely a soundtrack to or record of urban resistance Rather its very sound waves have animated looping clashes over development dispossession and Black freedom Through studies of downtown nightclubs Lake Merritt and the Eastmont Mall geographies rarely considered yet critical to Oakland's culture and politics Werth reveals how the liberatory sonic politics of funk hip hop and hyphy rap have been met with a repetitive war on nuisance As both a means of empowerment and a magnet for policing Black dance music has transformed not only Oakland's nightlife but also its streets parks and neighborhoods On Loop is a rousing encounter with the sound that moves urban life **Billboard**, 2006-04-01 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Rap and Politics* Lavar Pope, 2020-10-19 Rap and Politics maps out fifty years of political and musical development by exploring three specific moments of local discourse each a response to failures by local state and national governments to address police brutality violence poverty and poor social conditions in Oakland California and the surrounding Bay Area First in the mid 1960s Black youth responded to repressive political and socioeconomic factors in West Oakland by founding the Black Panther Party for Self Defense whose representation of violence and community aid as well as its radical and militant approach to Black Nationalism became a foundational discourse that shaped the development of rap music in the region Second from the collapse of the Party in the early 1980s through the 1990s gangster rap emerged as a form of political expression among local youth who drew heavily on radical and militant elements of Panther discourse in their lyrics and artwork Third hyphy music in the mid 1990s to early 2000s continued these radical discourses and also incorporated coordinated subversive public behavior to the mix The result was a critique of endemic problems facing the local Black community but also an infectious subgenre of party music that gained mainstream popularity Overall this study shows that the specific types of representation created to resist problems of racism and poverty in Oakland is actually key to understanding other rap undergrounds grassroots subcultures and social movements elsewhere In the process Rap and Politics offers readers a new model focused on the development of settings representation movements discourse banks and impact within underground rap scenes Billboard, 2006-08-12 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most
