| MACBETH      | <p>If it were done when 'tis done, then 'twere well<br/>             It were done quickly: if the assassination<br/>             Could trammel up the consequence, and catch<br/>             With his surcease success; that but this blow<br/>             Might be the be-all and the end-all here,<br/>             But here, upon this bank and shoal of time,<br/>             We'd jump the life to come. But in these cases<br/>             We still have judgment here; that we but teach<br/>             Bloody instructions, which, being taught, return<br/>             To plague the inventor: this even-handed justice<br/>             Commends the ingredients of our poison'd chalice<br/>             To our own lips. He's here in double trust;<br/>             First, as I am his kinsman and his subject,<br/>             Strong both against the deed; then, as his host,<br/>             Who should against his murderer shut the door,<br/>             Not bear the knife myself. Besides, this Duncan<br/>             Hath borne his faculties so meek, hath been<br/>             So clear in his great office, that his virtues<br/>             Will plead like angels, trumpet-tongued, against<br/>             The deep damnation of his taking-off;<br/>             And pity, like a naked new-born babe,<br/>             Striding the blast, or heaven's cherubim, horsed<br/>             Upon the sightless couriers of the air,<br/>             Shall blow the horrid deed in every eye,<br/>             That tears shall drown the wind. I have no spur<br/>             To prick the sides of my intent, but only<br/>             Vaulting ambition, which o'erleaps itself<br/>             And falls on the other.</p> <p style="text-align: right;">Enter LADY MACBETH</p> <p>How now! what news?</p> |
