Portland OR *The Ballad of Sergeant Collins* Conrad Jaymes, You've heard it said they don't make cops like they used to. Well, they never made another like Sergeant Collins. Legend. Maverick. A force of his own. These are some of his stories. An excerpt from the book: Constable Collins catches a glimpse of chrome. A snub nose buried in the guard's huge gorilla hand. Pushed into Stamford's chest. At the heart. It happens point blank and fast. Whomp. Whomp. Whomp. Three shots muffled but unmistakable. There are screams. People start ducking for cover. Joshua Stamford falls to the white tiled floor. His body jerks and kicks. Holes torn in his leather. Scarlet streams begin to meander out from his back and chest. Constable Collins sees scraps of bloodied meat a few feet behind the body. Holes torn right through the man. Sasquatch had no chance. The guard turns toward the girl. For a millisecond Constable Collins looks into the ugly mouth of the revolver. He jumps. Hits the girl hard. Pushes her to the floor. Police, he screams at the guard, drop the weapon. The girl lands awkwardly, arms splayed apart, face slapping the tiles, knees up, her arse in the air. It's the centrefold pose. Collins lies across her. Human shield. But still her arse cups nicely into his groin. Police, he says again, but much louder, Drop it. The guard turns. Starts running. The sounds of heels on concrete. Stamford's heels haven't moved. Just blood running now. A lot of blood. Constable Collins lingers across the girl. Pleasure for the briefest moment. Then he thinks about the job. About screwing up. About the Commissioner and all the paperwork. He leaps to his feet and starts to run after a new suspect. Knowing it's hopeless.

In *The Gay Male Sleuth in Print and Film* 2005 scholar Drewey Wayne Gunn examined the history of gay detectives beginning with the first recognized gay novel *The Heart in Exile* which appeared in 1953. In the years since the original edition's publication hundreds of novels and short stories in this sub genre have been produced and Gunn has unearthed many additional representations previously unrecorded. In this new edition Gunn provides an overview of milestones in the development of gay detectives over the last several decades. Also included in this volume is an annotated list of novels, short stories, plays, graphic novels, comic strips, films, and television series with gay detectives, gay sleuths of secondary importance, and non sleuthing gay policemen. The most complete listing available including the only listing of early gay pulp novels, present day male to male romances, and erotic films, this new edition brings the work up to date with publications missed in the first edition, particularly cross genre mysteries, early pulps, and some hard to find volumes. *The Gay Male Sleuth in Print and Film: A History and Annotated Bibliography* lists all printed works in English including translations presently known to include gay detectives such as amateur sleuths, police detectives, private investigators, and investigative reporters from the 1929 play *Rope* until the present day. It includes all films in English subtitled or dubbed from the screen version of *Rope* in 1948 and the launch of the independent film *Spy on the Fly* in 1966 through the end of 2011. Complete with two appendices: a bibliography of sources and a list of Lambda Literary Awards and indexes of titles, detectives, and

Villains, Victims, and Violets Resa Haile,Tamara R. Faith and Action R. J. Rushdoony, 2019-08-26 *Faith and Action* is the complete collection of the essays of R J Rushdoony written for the Chalcedon Report between 1965 and 2001 along with several transcripts of his recorded talks The large volume *The Roots of Reconstruction* only contained his Chalcedon Report essays up until 1985 so most of the essays included in *Faith Action* were unavailable to readers for many years until now In order to make the author's knowledge more accessible this three volume collection features some of the most extensive indexing we've ever done including a General Index a History Index a Scripture Index a Works Cited Index and a Chalcedon Report Directory A total of 183 pages of indexing This handsome set of books is a must have for any serious library The central theme of this collection of essays is Christian Reconstruction which to Rushdoony meant the responsibility of Christian citizenship in the Kingdom of God For him his central drive behind his research and writing was to move men to faith and action Rushdoony was primarily an essayist who vigorously and prolifically wrote on a multiplicity of subjects issues and disciplines Despite his being critical of both the contemporary church for its compromise and the humanistic state for its will to be as God these essays are replete with Rushdoony's undying faith in the victory of God in history Rushdoony's big idea was Christian Reconstruction which centered not on a pursuit of political power but rather an equipping of Christians to take back government by means of self government in terms of God's law This three volume collection will no doubt serve the larger church for many generations as
