 general and permanent laws of the United States of America The Code was first published in 1926 and a new edition of the
 code has been published every six years since 1934 The 2012 edition of the Code incorporates laws enacted through the One
 Hundred Twelfth Congress Second Session the last of which was signed by the President on January 15 2013 It does not
 include laws of the One Hundred Thirteenth Congress First Session enacted between January 2 2013 the date it convened
 and January 15 2013 By statutory authority this edition may be cited U S C 2012 ed As adopted in 1926 the Code established
 prima facie the general and permanent laws of the United States The underlying statutes reprinted in the Code remained in
 effect and controlled over the Code in case of any discrepancy In 1947 Congress began enacting individual titles of the Code
 into positive law When a title is enacted into positive law the underlying statutes are repealed and the title then becomes
 legal evidence of the law Currently 26 of the 51 titles in the Code have been so enacted These are identified in the table of
 titles near the beginning of each volume The Law Revision Counsel of the House of Representatives continues to prepare
 legislation pursuant to 2 U S C 285b to enact the remainder of the Code on a title by title basis into positive law The 2012
 edition of the Code was prepared and published under the supervision of Ralph V Seep Law Revision Counsel Grateful
