PACKET # 25

INSTRUCTIONS

This Learning Packet has two parts: (1) text to read and (2) questions to answer.

The text describes a particular sport or physical activity and relates to its history, rules, playing techniques, scoring, notes and news.

The Response Forms (questions and puzzles) check your understanding and appreciation of the sport or physical activity.

INTRODUCTION

Water polo is a rapidly growing sport in the United States and internationally as well. For anyone involved in playing or even being a spectator, it is important to understand the rules of the game.

Teams are composed of about 12 players, depending on league rules. Seven players are in the pool at a time, which includes one goalie and six field players. Each field player plays both offense and defense, and the goalie is not allowed on the other half of the pool. There are many different arrangements of players in front of the goal (which may be attached to the pool deck or free floating on lane lines). The location of the players depends on the play that is being run, similar to basketball or hockey.

HISTORY OF THE GAME

Invented in the late nineteenth century in Great Britain and played in many countries around the world, notably including Hungary, the game involves teams of seven players (plus up to five substitutes), with a ball similar in
