Hades In Paradise:

Hell's Destruction Catherine Ella Laufer, 2016-04-22 The credal affirmation he descended to the dead has attracted a plethora of views over the centuries and many Christians today struggle to explain the meaning of these words This book explores various interpretations of the doctrine of Christ's descent to the dead both within particular historical contexts and within contemporary theology Laufer argues that the descensus clause Christ's descent is integral to Christian faith specifically to the doctrine of the incarnation If we are to affirm that in Christ God became truly human then that affirmation must include his sharing in the state of being dead that is the ultimate consequence of being human Laufer concludes that since the Son has experienced genuine human death and the separation from God which is the essence of hell there is no longer any human condition from which God is absent either in this life or in eternity Christ's descent means that he is truly hell's destruction Drawing on a treasure trove of writings from the western theological tradition including Luther Calvin Maurice Balthasar Moltmann and others and attending to historical theological exegetical philosophical and pastoral issues this book explores an often ignored doctrine which lies at the core of Christian life death and faith **Man mortal: being a reply to Mr. F. W. Grant's "Life and Immortality," etc** Robert ROBERTS (Christadelphian.), 1875 *The Basis for the Building Work of God* Witness Lee, 2003-10 **The Presbyterian Review**, 1883 The Presbyterian Review Charles Augustus Briggs, Archibald Alexander Hodge, Francis Landey Patton, Benjamin Breckinridge Warfield, 1883 Includes section Reviews of recent theological literature *The Spirit World* Clarence Larkin, 1921 In this day of the revival of Spiritism when so many through the loss of loved ones in the Great World War are longing to communicate with the dead and are resorting to forbidden means to that end a day in which science is trying to discover whether there is another world than this and whether men live after death and if so can they communicate with the living it seems timely that a book should be written to show what the Holy Scriptures have revealed of the World of Spirits The Bible has much to say about the Spirit World and if we will carefully search its pages we shall know all there is to be known in this life of the World to Come For if men will not listen to Moses and the Prophets they will not be persuaded though one rose or came back from the dead Luke 16:31 Foreword *Charting the End Times* Tim LaHaye, Thomas Ice, 2001-09-01 Bestselling author Tim LaHaye and prophecy expert Thomas Ice teamed up to produce a visual resource unmatched by anything available in the Christian book marketplace The result of decades of careful research and Bible study the charts and well written explanatory text provide a fascinating picture of the times ahead Charting the End Times includes A foldout portraying God's complete plan for the ages More than 50 full color charts and diagrams Timelines of the end times A comprehensive overview of the key elements of the last days Clear answers to tough end times questions Providing a wealth of information this book is certain to become a popular study tool for understanding God's unfolding plan **His Broken Body** Laurent Cleenewerck, 2007 A comprehensive objective scholarly and yet easy to read presentation of the differences both historical theological and

liturgical between Roman Catholicism and Eastern Orthodoxy The ideal complement or even antidote to such books as Upon this Rock Jesus Peter and the Keys Two Paths The Primacy of Peter etc Discusses Peter s Primacy and Succession Ecclesiology Infallibility the Filioque Celibacy etc **Hellfire and Destruction** Paul Marston,2023-12-13 To those of us who believe in the inspiration and authority of the Bible it must surely be a concern to know what it says will happen to the millions around us some of whom we love dearly who die without repentance or faith Does Scripture teach that at the last judgment those who remain unrepentant will be consigned to an unending existence of torment without hope Is that truly what Jesus and his apostles believed and taught This book presents basic evidence that what they really taught was that the final judgmental end for such people will be destruction taking its obvious meaning that they will cease to exist as conscious individuals The arguments are not complex because most of the New Testament writers make plain statements to this effect The book also looks at those parables and Revelation passages sometimes taken to indicate unending torment It links with academic works that in increasing numbers are making the same points but the book is not a contribution to academic scholarship Rather it is a careful readable and accessible account to challenge pastors church leaders and Christians generally to consider what the Bible actually says rather than rely on tradition The Spirit World Jeff Kluttz,2009-05-12 Confusion abounds concerning the nature of the unseen spiritual worlds of men an angels Biblical terms such as Hades Abaddon the abyss and others are often considered interchangeable by well intended students of God s Word In some cases the message of the text is no worse for the wear In others flagrant apostasy has developed because of a poorly interpreted text The Spirit World is a biblical study of the differentiations between numerous spiritual abodes of man and angelic beings At a time past man died he went to neither Heaven nor Hell but rather to a place of temporary containment The lake of fire remains empty today but will be populated at the end of history Demonic angels find themselves incarcerated in spiritual containers for particularly evil deeds The Bible reveals a fascinating account concerning the journey of the spirits of created beings one which is essential theological knowledge for rightly handling the doctrines of God s word
