devoted to redemption The signet of redemption is the number 7 its appearance within chronology is deliberate instructive and compelling The Creation Week account reflects a two fold metaphor 1 space time itself was created to support the redemptive act and 2 mankinds history will unfold in a series of seven ages later quantified as millennia The interval between Adam and Abraham literally filled one redemptive bi millennium but the catastrophic effects of 3 realities the Cainite civilization Noah and the break up of Pangaea contribute to the appearance of myth as viewed by the uniformitarian geologist for whom catastrophes appear invisible The 2nd bi millennium Abraham to Messiah was also fulfilled exactly in redemptive time The termination of our age is imminent and dependent upon the chronology of Israel mankinds chronograph A detailed chronology of the history of Israel is flavored with the redemptive signet especially 70 yrs or 70 heptads of yrs By decoding Israels history in redemptive time and employing the single concept of the favor of God the author derives a Biblical based proof that modern Israel is the same and identical state founded by Samuel in 1096 BC Three independent proofs of this foundational date are provided These proofs show that the Monarchy existed for exactly 511 yrs which period is exactly equal to 73 heptads Israel is an heptadic state The author concludes that the redemptive corollary to Israels ontology is also proven we have actually entered the end times and the events associated with the last days will soon unfold Because the reality of Israel is visible to all it is apparent that the redemptive offer made to mankind is also real and visible such as that appearing in John 3 16 John 6 40 and Romans 10 9 13 There is much to learn about our world Start now Tomorrow may be IN OUR IMAGE: The History and Mystery In Our Look at Life Study Guide Debra Marie Albaugh, 2014-05-11 Study guide black and white 7 1 2 square 389 pages This is the companion full text black and white study guide that can be used along with the full color edition which can be used as a teacher edition It includes charts graphs photos and full text like the full color version and digital edition It includes an index and bibliographic references 389 pages Worldviews are a significant part of the way we view the world They impact our perception of reality They impact our perception of the environment And they impact our perception of ourselves It is a worldview study The compilation is from my A papers in Biblical and theological study includes insight from art study and includes adventures from other personal Bible study

Rapture Ready...Or Not? Terry James, 2016-06-01 Read the detailed precise frame of reference of where this generation stands on God's prophetic timeline Discover how each chapter points specifically to what the strange troubling things happening in a world seemingly gone insane with unstoppable violence means for the immediate future and beyond Reflect on the very Word of God the Bible in pointing to the only hope the reader and those he or she loves has for escaping God's righteous judgment that is about to fall on a rebellious world Rapture Ready or Not is for this generation of readers who are confused and look upon a world that seems to have destroyed opportunity for a bright abundant future The Rapture is about to catastrophically strike an unsuspecting world of both unbelievers and believers Jesus Christ is the Shelter from the coming Tribulation storm of God's wrath and judgment Miracles, Prophecy and God's Other Ways Kenneth Robb Kersey, 2012

Meyers, Carol L. Meyers, 2012-10-15 is there a higher plan at work Archaeological discoveries relating to the Bible are prominent in the public square Even archaeological controversies normally confined to the pages of obscure journals are considered newsworthy when they touch on biblical themes people or places However scholars are not always equipped to handle this sort of attention Thus the conference published in this book was organized to bring scholars into conversation with representatives of the media and to help them become better prepared to address the general public Participants included the print media and the visual media as well as academics The relation between archaeological controversies and Middle East politics emerged as a fraught subject in several essays with the situation of the City of David in Jerusalem as a case in point Other essays consider looting in Iraq and in other regions in the Middle East and highlight the legal and moral issues involved for when legal norms recognized in international law and archaeological standards are violated chaos reigns This volume opens a dialogue between scholars and the media providing both with perspectives that will enable them to become better at communicating what they do to a wide audience And it offers lay communities who learn about archaeology and the Bible through the popular media information that will make them more sensitive to the way discoveries and issues are presented **Apocalyptic Conspiracism** Tom Albrecht, Tristan Sturm, 2024-12-12 In the USA politically conservative and right wing apocalyptic evangelicals hold that climate change science and Covid 19 are fabrications governed by manifest evil How do these groups generate and distribute these truth claims and why Using a sociological methodology informed by Bourdieu and Foucault this book offers tools for scholars and

Congress. Senate. Committee on the Judiciary, 1951 End Time Rewind: An Exploration In Bible Prophecy And The Fate Of The World Steven Sabatino, Remember when End Time Rewind warned you not to fall for the Doomsday Rapture theories of Dispensational Premillennialism and their Zionist partners Well now that we ve survived John Hagee s Four Blood Moons Jonathan Cahn's Super Shemitah and the menacing tentacles of the now defunct European Union and Islamic State the supposed Beast Kingdoms of Revelation 17 the Futurist's next false claim centers around the 70 year anniversary of Israel's founding Is the Jewish State really the prophetic clock by which God aligns world events and the return of Christ Many Doomsday Rapture forecasts have been put forth in the name of Futurism since the 2nd century AD none of which have come to fruition This is disconcerting because failed predictions and false expectations promoted by our Christian counterparts diminishes the credibility of the Bible and scars the reputation and integrity of the Prophetic Office of Jesus Christ The age old tried and true Orthodox aka Partial or Classical Preterist approach maintains that the majority of Bible prophecies were already fulfilled by the end of the first century AD and included Jesus appearing in an Old Testament styled non physical manifestation with power and great glory All that remains to be accomplished in the future is for Jesus Christ to physically return to raise the dead which is when the rapture also occurs preside over the final judgment and create a new heaven and earth devoid of sin and death where the new and holy Jerusalem from heaven descends as per Revelation 20 7 Revelation 22 5 The Prophetic Harmony of the Lamp of God Jerome Gerbasi, 2006-10 The Pastoral Epistles **Through the Centuries** Jay Twomey, 2020-05-26 Drawing on scholarly insights and a comprehensive array of texts from the entirety of Christian tradition The Pastoral Epistles Through the Centuries explores the rich legacy of the Pastorals as it has unfolded over the centuries Explores the important role of the New Testament letters to Timothy and Titus known collectively as the Pastoral Epistles in the development of early Christianity Surveys the many theological cultural literary political and artistic uses of the Pastorals and the broader influence these letters have had throughout the ages Considers the Pastorals complex influence on issues such as church structure and rites the roles of women in Christian religious life the authority of scripture and the development of monastic orders Examines the many ways in which language and concepts from the
