

Techniques for Raising the Level of Narrative Writing

- Dream the dream of the story. Then, write in a way that allows readers to experience the moment along with you.
- Revise, using all you know about storytelling, not summarizing.
- Use all you know about grammar, spelling, and punctuation to edit as you write.
- Tell the story from inside it.
- Use details that are true to the event and that ring true.
- Use tools like The Narrative Writing Checklist to ask, 'In what ways does my writing measure up? In what ways do I need to improve?' Then, revise your work to make it stronger.
- Ask, 'What is my story really about?' and then write to bring forth that meaning.
- Bring out the story structure.
- Elaborate on important parts - parts that relate to what your story is really about.
- Incorporate scenes from the past or future to highlight the significance of your story.
- Don't simply end stories! Resolve problems, teach lessons, or make changes that tie back to the big meaning of your story.
