Photographer's Guide to the Panasonic Lumix Lx100 Alexander S. White, 2015-12-21

This book is the larger sized paperback version of Photographer's Guide to the Panasonic Lumix LX100. This version of the book contains the same content as the earlier version which was published in January 2015 with dimensions of 8.5 by 8.5 inches 216 by 216 mm. The new version of the book which replaces the original version is being published at a size of 8.5 by 11 inches 216 by 280 mm in order to present more information on each page which keeps related images closer to the text they illustrate and reduces the page count making the book easier to manage. The book contains more than 350 color photographs showing the camera's controls, display screens, and menus. The guide also includes examples of images captured using the many creative settings of the camera, including the Photo Style settings, the Filter button picture effects which provide the ability to customize the

appearance of images in dramatic ways and the camera's features for continuous shooting and shooting in high contrast lighting conditions. The book also includes a full discussion of the video recording abilities of the LX100 which offers manual control of exposure and focus during movie recording and which provides ultra high definition 4K recording of motion pictures.
