*Teaching of Mathematics with the Game of Baseball* baseball math, 2008-04-01 **Math Workshop, Grade K** Stith, 2018-02-21 Math Workshop for kindergarten provides complete small group math instruction for these essential topics: counting, beginning place value, 2D and 3D shapes. Simple and easy to use, this teacher resource for kindergarten math complements any curriculum. Like reading and writing workshops, math workshop is an instructional model that combines whole group lessons with leveled guided math groups and independent practice. It allows teachers to give students direct, leveled instruction while providing opportunities for practice and skill review. Math Workshop for kindergarten simplifies the workshop method with a comprehensive introduction and over 25 step-by-step lessons. This teacher resource for kindergarten math also includes these helpful features: comprehensive lesson plans, leveled practice pages, hands-on activities for every lesson. The Math Workshop series for kindergarten through fifth grades gives teachers everything they need to implement the math workshop method. Each book contains 28 complete lessons, a thorough introduction, and reproducible game templates. Each lesson begins with an essential question, a warm-up activity, and a whole group lesson. It is followed by three leveled small group lessons and a short assessment. Lessons are rounded out with a practice worksheet for each small group and an activity to practice the skill. Teachers are also provided with math talk questions and a math journal prompt to extend learning. The Math Workshop series gives teachers the flexible tools needed to begin small group math instruction.

*Teaching in the Standards-based Classroom*, 2001. Virtually every national standards document, every state framework, and every local set of standards calls for fundamental changes in what and how teachers teach. The challenge for teachers is to implement the vision for mathematics and science classrooms called for in the standards. This issue describes that vision and suggests ways to use the standards mandated in your school to improve your practice to help you teach in your standards-based classroom. Teachers.Net Lesson Exchange: Math Lessons to Meet California Standards--Kindergarten, Elaine Magud offers a collection of math lesson plans and activities for kindergarten students that meet the California state standards. The topics include sorting, time, word problems, measurements, addition, and more. Teachers Net provides the procedures for the lessons and activities as part of the Teachers Net Lesson Exchange online resource.
