Cat's Meow Dane McCaslin, 2021-03-23 Retired schoolteacher Gwen Franklin has a new pet project and a sideline in sleuthing. But this new case has a dangerous sting in the tail. Gwen's calendar has been filling up ever since she was hounded by her best friend Nora into starting 2 Sisters Pet Valet Services. Now they've been invited to attend the annual Clear the Shelter event hosted by Portland's very own blonde bombshell newscaster Babs Prescott. Babs is convinced she's top dog among local celebrities but it's clear that someone disagrees when Babs' body is found following a downtown press conference. A story this juicy would be headline news at any time but especially once local crime reporter Shelby Tucker is arrested for the murder. Gwen was Shelby's high school teacher and she's sure her former pupil is innocent. But in that case who was itching to take Babs out of the spotlight for good? As Nora and Gwen investigate they find personal mysteries at odds with Babs' public persona all leading to a killer who's not pussyfooting around.

Cat's Cafe Ralls C. Melotte, 2022-09-29 Catherine Stubin was already looking for a way out of strait-laced Louisville, Kentucky when a handsome charismatic Irishman walked into her family's Thanksgiving dinner party. She was thrilled at first sight. Alone, desolate, and weary of 1870s aristocracy, it was easy for Catherine to see Patrick Callaway as a gallant rescuer. He quickly swept her off her feet and onto a night train with promises of a grand adventure and new life in the West. Enthralled and excited by an impetuous elopement on the newly completed Transcontinental Railroad, she had no idea what really lay ahead and would never have expected Patrick to disappear shortly after their arrival in the hardscrabble town of Eagle Rock. Far from the love story she'd expected, Catherine would have to find her place among boisterous cowboys, territorial ranchers, hard-living rail workers, stalwart Native Americans, and Mormon settlers. Calling on all the strength, determination, and ingenuity she could muster, she would either join real-life pioneers and visionaries in shaping the late 19th-century American West or return to a life she had come to despise.

Chapter notes in each book of the Eagle Rock Trilogy provide the historical context and setting for the characters, culture, and such events as the introduction of irrigation canals so important to present Idaho's economy, construction of the Union Pacific Railroad lines rife with scams and cutthroat skulduggery, and the early western Feminist movement, all of which did unfold in and around this small railroad town.

Sentence First, Arguments Afterward Lila Gleitman, 2020-04-01 *Sentence First, Arguments Afterward* collects the most important papers of Lila Gleitman's career spanning over 50 years of work. These papers explore the nature of linguistic knowledge in children and adults by asking how children acquire language, how language and thought are related, the nature of concepts, and the role of syntax in shaping the direction of word learning. With an exclusive foreword by Noam Chomsky and an essay by Jeffrey Lidz contextualizing Gleitman's work in the emergence of the field of cognitive science, this book promises to be valuable both for its historical perspective on language and its acquisition and for the lessons it offers to current practitioners.
