

MOTOROLA

MOTOSTART

HS850 Bluetooth® Handsfree Headset

Get Connected in
4 Quick Steps

- 1 - CHARGE
- 2 - START
BLUETOOTH
FEATURE
- 3 - PAIR
- 4 - TEST AND
USE

BEFORE YOU BEGIN

Before using this product, read the headset's label and listen to the information contained on the headset's instructions.

Take a moment before you get started to familiarize yourself with your new HS850 headset.

①

CHARGE

Your Headset's Battery

Release tab down

- 1 Plug the Motorola charger into the end of the headset with the release tab facing down.

The indicator light turns on when the battery is charging. It may take up to 1 minute for the indicator light to turn on. When the headset's battery is fully charged (about 2 hours), the indicator light turns off.

- 2 Disconnect the charger.

Note: Headset is not functional while charging.

②

START BLUETOOTH FEATURE

Your Phone

Your phone's Bluetooth feature is off by default. To use your headset, you must turn on the Bluetooth feature in your phone.

For most Motorola phones:

- 1 Press **[Menu]** - **Settings** - **Connection** - **Bluetooth On** - **On**.
- 2 Scroll to **Power**.
- 3 Select **Change**.
- 4 Scroll to **On**.
- 5 Press **Select** to turn on the Bluetooth feature. The Bluetooth feature remains on until you turn the feature off.

Note: These steps are for most Motorola phones. For other phones, see your phone's user's guide.

③

PAIR

Your Headset

Before you can use your headset, you must pair (link) it with your phone.

Step A - PUT THE HEADSET IN PAIRING MODE

- 1 Ensure the headset is turned off (indicator light not blinking and boom is closed).
- 2 Press and hold the **Call** button. After about 4 or 5 seconds, the indicator light becomes steadily lit.
- 3 Release the **Call** button and immediately open the headset boom. The indicator light remains steadily lit.

If the indicator light is flashing or not steadily lit when opening the headset boom, repeat steps 1 through 3 on this page.

③

PAIR *continued*

Your Phone

Step B - SET YOUR PHONE TO LOOK FOR YOUR HEADSET

For most Motorola phones:

- 1 On your Motorola phone, press **[Menu]** - **Settings** - **Connection** - **Bluetooth On** - **Headset** - **Look for Device**.
- The phone lists Bluetooth devices it finds.
- 2 Select **Motorola HS850**.
- 3 Select **OK** or **Yes** to confirm your headset with your phone.
- 4 Enter the passkey: **0000**.
- 5 Select **OK**.

When your headset successfully pairs with your phone, the indicator light changes from steadily lit to flashing.

Note: These steps are for most Motorola phones. For other phones, see your phone's user's guide.

④

TEST AND USE

Your phone and headset are now paired and ready to make and receive calls. To make a call:

- 1 With the boom open, place the headset over your ear.
- 2 On your phone, dial the number you want to call and press the **SEND** key.
- 3 If your phone and headset are successfully paired, you will hear ringing on the headset.

After you have successfully paired your phone and headset, you don't need to repeat these steps. For daily use, ensure that your headset is turned ON and that your phone's Bluetooth feature is ON.

To save battery power, turn OFF the headset when you don't use it for an extended time.

QUICK TIPS

To turn on the headset, open the headset boom. The indicator light blinks when the power is on.

To answer or end a call, press the **Call** button on the headset.

To adjust the volume, press the **Volume** buttons on the headset.

NOTE: To set volume button orientation for right or left ear, with the boom closed, first press and hold the **Call** button until the indicator light is lit. Then press the **Volume** button to be used to increase volume. The indicator light flashes to indicate success.

To turn off the headset, close the headset boom. The indicator light will stop flashing.

TROUBLESHOOTING

My phone doesn't find my headset.
Make sure the indicator light on your headset is on and steadily when your phone is searching for devices (see step 3).

My headset worked before but now it's not working.

Make sure your phone is on and the Bluetooth feature is turned on in your phone (see step 2). If the Bluetooth feature was turned off or was turned on only temporarily, you may need to repeat the Bluetooth feature (see step 2) and pair your phone and headset again (see step 3).
