

## Why My Mother Is My Hero

Everyone has someone they look up to and want to be just like one day and everyone has a vision of a true hero. My hero is my mother. My mom is my favorite person in the world because she is always there when I need her the most and I don't know where I would be today without her. She has given me a great life and I am thankful for all she does for me. Nobody could ever compare to my mother. She is the most caring, loving, and sincere person I know and that is why she is my hero.

When I think of a hero, I think of someone who is brave, strong, hardworking, trustworthy, fearless and courageous. Someone who can protect you and make your life better; my mom has all of those qualities.

A hero to me is a person that is there for you; they will always be by your side even if times get tough. My mom has never left my side, and I know she will always be there for me whether I am upset and crying or I am celebrating a new accomplishment in my life or angry for having bad grade. I have never met someone who is so selfless as her. She has always put me first in her life and done everything she could to make me happy and to give me the best life. I know that dealing with me is not easy. I am moody, stubborn, and at times I think I know everything. My mother and I don't have the perfect relationship. We get in arguments and disagree on a lot of things, but no matter how big of a fight we get in we always make up by the end of the day because we both know we couldn't live without each other.

My mother is my hero not only because what she offers me and gives back to me but to other people too, she is a great wife, an amazing mother and the happiest person I know.
