**'Inter' Alias Unofficial & Authorized Guide to Alias**

Mila Hasan,2017-05-04 Alias was an amazing show that burst onto our screens with such a wonderful cast and storylines Season 1 was my favourite as it had so many plot twists and turns A little dumbed down in later seasons I thought Sometimes wonder with recent world events if this is more true to life these days

**The Worlds of Farscape** Sherry Ginn,Donald E. Palumbo,C.W. Sullivan III,2013-08-20 Reversing a common science fiction cliché Farscape follows the adventures of the human astronaut John Crichton after he is shot through a wormhole into another part of the universe Here Crichton is the only human being going from being a member of the most intelligent species on our planet to being frequently considered mentally deficient by the beings he encounters in his new environment John Crichton befriends a group of beings

from various species attempting to escape from imprisonment aboard a living spaceship The series which broke many of the so called rules of science fiction follows Crichton s attempts to survive in worlds that are often hostile to him and his friends Their adventures center on each being s attempt to find a way home The essays in this volume explore themes running throughout the series such as good and evil love and sex and what it means to be a hero as well as the various characters populating the series including the villains and even the ship itself
