The N.C.R., 1904 Manual Training Magazine Charles Alpheus Bennett, William Thomas Bawden, 1923
Resources in Education, 1993 **Factory Administration in Practice** W. J. Hiscox, 1921 Instructor's Manual to Accompany Understanding Human Communication, 7th Ed Ronald B. Adler, George Rodman, 1999-11 **Manual of Cost Accounts** Henry Julius Lunt, 1922 *Hide and Leather with Shoe Factory*, 1917 **Competitive Comrades** Susan L. Shirk, 2023-04-28

Competitive Comrades Career Incentives and Student Strategies in China provides a nuanced analysis of the complexities within China's educational institutions and examines the evolution of student behavior in response to political pressures and career incentives Focusing on the period between 1960 and 1966 the book delves into the high stakes world of Chinese high schools where the distribution of opportunities especially under Mao's virtocratic policies produced a unique blend of ambition and moral posturing The book argues that Maoist policies which sought to fuse political virtue with academic performance created an intense atmosphere of competition that encouraged students to balance their academic and political ambitions with social strategies that would ensure their success Unlike meritocracies or traditional hierarchies this virtocratic system intensified the stakes of student relationships and loyalty while paradoxically fostering political cynicism and alienation from the state a contradiction at the heart of the Maoist vision of revolutionary successors Through detailed interviews with former students Competitive Comrades reveals how students navigated these pressures showing that rather than fostering cooperation and ideological alignment Mao's policies often drove students toward strategic adaptations aimed at self preservation and advancement This exploration of the social and behavioral implications of virtocracy provides critical insights into post revolutionary Chinese society and presents a comparative framework relevant to other regimes governed by similar principles of moral based selection Ideal for scholars of Chinese history political sociology and education studies Competitive Comrades sheds light on the unintended consequences of revolutionary moral ambitions on youth culture and social cohesion in Communist China This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1982
