Finding God In Suffering A Journey With Job:

Finding God in Suffering: Bruce G Epperly, 2014-12-11 Death Illness Divorce Unexpected Undeserved In this world there is going to be suffering and pain As a person of faith we are not exempt from that undeniable fact What do we do Where is God when the pain is unbearable and the night so long How do we reach out to others with something more than platitudes It has been said that theology begins in the experience of suffering At the very least debilitating suffering challenges our images of success and security and invites us on a quest for something solid and dependable when the foundations of our lives are shaking The book of Job emerges from one person s unexpected encounter with suffering Job seeks God s presence and to find a God he can trust again he must jettison his previous images of God Bruce Epperly **Finding God in Suffering** Siu Fung Wu, 2023-03-22 Finding God in Suffering is about a Jesus follower s pilgrimage from East Asia to Australia It speaks of his journey of sorrow and joy struggles and hope affliction and God s power in his weakness as he navigates through life as a factory worker international student software developer church minister global education officer at a humanitarian organization and lecturer in the New Testament It is about how he makes sense of suffering in a world of pain and chaos through the Bible and how he responds to God s call to follow the crucified Christ and risen Lord Finding God in Suffering is a thoughtful reflection of the Scriptures suffering and issues of injustice It is an invitation to participate in God s purpose for humanity by sharing in Christ s suffering and bearing his image Suffering is not pleasant but it is not worthless either Siu Fung Wu encourages us to keep following Jesus in our suffering *Ruth and Esther* Bruce G Epperly, 2016-01-12 How does one read the literature of a patriarchal society in a 21st century context Where can one find good role models for girls and women in the Bible All too often these questions are answered by presenting the answers given by patriarchal society and not by looking for liberating examples It is all too easy to let God s message of setting the captives free ring forth but directed to a limited audience But Ruth and Esther provide strong counter examples of women who had to struggle against the cultural norms in order to live and to do great things for their people All too often these women are excluded from our studies or when included are portrayed as subordinate people But Dr Bruce Epperly pastor father grandfather and theology sees them as women of agency and adventure resourceful and proactive women in patriarchal cultures But despite being subject to the apparently arbitrary decisions of males with authority both women were agents in their destiny fulfilling their vocations in their particular culture If you are a Christian pastor or teacher you owe it to those in your circle of influence to let them experience these two Bible books in new ways to see them as liberating documents that let everyone know that God doesn t exclude them From these women of agency and adventure those who find themselves excluded from power can find encouragement to stand up and be the persons of agency and adventure that God created them to be no matter what restrictions others have placed upon them *Jonah* Bruce G Epperly, 2016-08-29 What if someone you thought you knew very well started behaving strangely What would you do Now suppose the person acting strange was God Jonah

thought he knew God In fact he was a prophet He knew he heard God s voice Life might have its difficulties but no matter what happened he could count on his God Then one day God started saying things he couldn t possibly mean What would you do if God commanded you to do something you knew couldn t possibly be done What if God commanded you to do something you definitely did not want to do How would you preach if you hoped people wouldn t listen Jonah faced these problems In his story many of us can find answers to those times when it s hard to discern the right path This book is suitable as a guide to studying the book of Jonah whether as an individual or a small group It could also be a guide for a challenging sermon series

Finding God in Suffering Christopher M. Mahar,2023-11-15 Why is there so much suffering How do I make sense of my pain Father Christopher Mahar responds to these questions and more with empathy conviction and hope Guided by the writings of Saint John Paul II and over twenty years of pastoral experience Fr Mahar unfolds the mysterious truth that even in suffering we can find love His short chapters reflection questions and prompts for prayer are a rich companion for those who are suffering and those who love them I wish I didn t need this book but I do We all do because so much of life is occupied with suffering grief disappointment physical pain shame Jesus Christ showed us the way through every ordeal empowering us not only to endure but to triumph In these pages Father Mahar shows us that way helping us to understand it as he provides clear practical spiritual guidance Mike Aquilina executive vice president St Paul Center for Biblical Theology author *The Fathers of the Church* EWTN host Despite the broken families broken promises and broken lives all around us Father Christopher Mahar effectively illustrates the astonishing Good News of our faith that the Gospel of Suffering allows every trial to be a rich encounter with Christ and an opportunity to embrace a creative vocation radiating hope Genevieve Kineke author and speaker on authentic Catholic femininity *Process Theology and Healing* Bruce G. Epperly,2023-12-05 Religious and spiritual healing practices are often seen as a show in which a healer claims to physically cure someone through actions or words These healings mostly fail In this booklet the third of three that integrate process theology with contemporary spiritual life and activity Bruce Epperly presents a very different view of healing He calls for a healing ministry but one that finds God in all things and uses scientific medicine healing ritual practices and prayer in concert sometimes for spiritual healing but also for a way to live out the challenge of illness to face death with dignity and yes sometimes for a cure that appears miraculous He applies these healing practices not just to human beings but to all life and to the planet we live on Healing is not the province of a few calling on supernatural forces Rather it is a cooperation with the energies God has placed in the universe Rather than supernatural it is more natural than anything Epperly is a specialist in bringing difficult concepts to life for everyone He combines that skill with the short format of the Topical Line Drives series to present a call for all of us to be healed and to become healers as part of God s call to life and light This book may well be the call you need to hear to find wholeness Shalom in your life and your relationships to others and this world **Why Doesn't God Do Something?** Ronald Higdon,2017-12-01 Through the course of over fifty five years of pastoral ministry many have come to

me with aching hearts and burning questions It had nothing to do with abandoning their faith but everything to do with finding a place in that faith for the kinds of questions that would not go away With the gentleness of a pastor and the unblinking look of a theologian Dr Ron Higdon takes the reader through the questions we all want and need to ask and gives them a thorough scrutiny Join him in the discussion

The Jagged Journey Barry L. Callen, 2018-05-15 It s the most important subject in Christianity It reveals who God is how God works how we mature as followers of Jesus and how we are to conduct ourselves in this sinful world The subject is suffering To explore it biblically and inspirationally is to identify the basic elements of a responsible Christian theology that s more than a set of pious abstractions This subject forces us close to where we hurt doubt believe and relate to our neighbors God suffers Jesus cries The tears of God are the deepest meaning of our history God s problem is not that God is not able to do certain things but that God loves The cross of Jesus was in God s heart before it appeared on Golgatha The pain of God is the healing of humanity The cross the worst of human doing and the best of divine revelation clarifies that we must die to really live We must share in the sufferings of Jesus

Straight to the Heart of Job Phil Moore, 2020-05-22 The book of Job is one of the oldest surviving pieces of writing in human history It also deals with two of the biggest questions that humans have asked throughout history what is God like and why does he allow such suffering in the world Allow Phil to take you on a journey through the book of Job to discover insights that have shaped the way that people have viewed God and viewed humanity for over 3 000 years God inspired the Bible for a reason He wants you read it and let it change your life If you are willing to take this challenge seriously then you will love Phil Moore s devotional commentaries Their bite sized chapters are punchy and relevant yet crammed with fascinating scholarship Welcome to a new way of reading the Bible Welcome to the Straight to the Heart series
