Fire & Ice Carolyn Miller, 2023-07-10 A delightful laugh out loud romance Susan May Warren USA Today bestselling author Hannah Wade's heart might've once been touched by a rancher's son but her real passion has always been sports. Years later when her sports career is cut short by injury and an opportunity arises to be one of Calgary's first female sports analysts she jumps at the chance. Trouble is some of the old dinosaurs she works with think she's only there to look good add ratings and stir controversy among the fiercely loyal hockey fans. She longs for the chance to prove herself so when an opportunity comes along to interview newly traded defenseman Franklin James she meets him. Or more accurately re-meets him. With disastrous effect. Growing up with three sisters means Franklin thought he knew something about women but nothing had ever prepared him for the sparkling firecracker that is Hannah. And yet her vibrant personality holds a sweetness and soft side something that draws his interest and protectiveness when an interview goes south. And there's something about her that's vaguely familiar. Can these two overcome prejudice and find a way forward? And what has faith or the lack of got to do with anything? *Fire and Ice* is the first book in the new Northwest Ice hockey romance series a sweet and swoony slightly sporty Christian contemporary romance series perfect for fans of Becky Wade Courtney Walsh and Susan May Warren.
