God's Other Children Vernal W. Scott, 2013-07-31 Updated in 2015 chapter Circumcision of Religion plus recent HIV statistics and new cover art Shortlisted for the coveted Polari First Book Prize this atypical non fiction emotional roller coaster by Vernal Scott a gay activist Londoner and former head of HIV services is earning high praise from enthusiastic readers His writing is soulful raw and unashamedly human Forcefully revealing gay people as holistic multi racial and sexual he also recalls the horror caused by AIDS and undeserved shaming by ruinous religion But there is much much more Following a wide ranging prologue this dramatic true story starts out in happy but poor 1930s Jamaica Scott's Windrush generation parents move to 1950s London where the substance of this 550 page bio come novel really begins taking the reader up to the present day Tragedies and taboo issues are frequent and there are no fictional characters or scenarios so you find yourself immersed in the emotional authenticity of each page The mood could be described as dark and disturbing in places e.g a graphic and deeply worrying boyhood voodoo protection ritual but the issues are always starkly human unrequited love hate and loss sex sexuality and coming out religion and homosexuality disease death and dying domestic violence and borderline child chastisement abuse divorce racism and homophobia prejudice and equality challenges at home and abroad gay lesbian baby making and parenting fathers and family court mental health depression and suicidal bids Even voodoo and the paranormal make a surprising and very convincing appearance as does the likes of HRH Diana Princess of Wales among others In their respective forewords Lord Paul Boateng says the book has a searing honesty and Peter Tatchell the renowned human rights activist refers to it as painful and shocking in its exposure of raw prejudice Sir Nick Partridge CEO of the Terrence Higgins Trust describes the book as remarkable sobering and powerful Scott rips into shame inducing religion but most compellingly he relives the truly horrific impact of HIV and AIDS on both gay and heterosexual communities in the 80s and 90s With 75 million people directly affected around the globe including 35 million deaths *God's Other Children* captures the essence and relevance of World AIDS Day walking in Scott's shoes the reader lives the pain and tears of too many premature goodbyes caused by a terrifying and merciless killer disease Finding himself at the forefront of the response to the crisis he recalls the period as a conveyor belt of death and dying acknowledges HIV as a virus of equal opportunity and sees the pain it causes as human not gay straight black or white Setting out the national and international statistics he further states Every day is World AIDS Day there are real people behind the horrendous numbers The various accounts make tearful heartbreaking reading especially when AIDS comes home Emotionally scarred by the AIDS war years Scott's subsequent journey into gay fatherhood delivers its own challenges and compounded by an avalanche of deaths he begins to play sexual Russian roulette with his life But will his waning Christian faith rescue him He says of religion Even dead sheep would be compelled to question it *God's Other Children A London Memoir* includes scores of previously unpublished London shot photos which add extra vibrancy to an already thumping read including those of the historic six

thousand person strong Reach Out Touch UK AIDS Vigil and liaisons with legendary ladies of song such as Whitney Houston Dionne Warwick and Gloria Gaynor A triumphant if tragic debut the Polari judges and ordinary readers are full of praise for good reason Both the book and its author are deserving of the highest possible commendation Expect to be informed moved inspired and inadvertently entertained **Older Lesbian, Gay, Bisexual and Trans People** Andrew King, Kathryn

Alexander Carson John Gill, 2025-07-31 Alexander Carson ca 1776 1844 is primarily remembered by Baptist historians as an apologist for believer s baptism Yet this is a topic that Carson himself would consider secondary What then did Carson consider to be of primary importance The gospel of Jesus Christ as conveyed in the Scriptures The thesis of this study is that Carson s belief in the Bible as a verbally and completely inspired text provided him with an infallible source for his understanding of the gospel as being centered upon the atonement effective through justification by faith alone and the motivation for evangelism Carson s theology is examined in each area through a study of his pertinent works the works written by those with whom he interacted as well as the larger theological social economic and political context surrounding those works *Twin Memoirs Volume 5* Robert W.
