Kid Concoctions of Biblical Proportions John E. Thomas, Danita Thomas, 2007-02 A book to bring families together around the table to create unique biblical art projects and playthings by using everyday household ingredients *Ivory in Our Hearts: the Special Work of God in Our Lives* Viola & Jim Halbert, 2006-02 JIM AND VIOLA HALBERT served as missionaries for 29 years mostly in Cote d'Ivoire Ivory Coast of West Africa Viola wanted to be a missionary from the time she was five years old Jim made his commitment as a teenager Initially they pioneered in an area previously unreached by the gospel They saw the Senoufo tribe churches grow from one believer to over 10 000 Their experiences included Africans being delivered from evil spirits and an African boy being made a human sacrifice Viola was active in teaching children and women as well as providing a ministry of hospitality Jim frequently served as a speaker at missionary and African conferences and camps He was also a leader in nationwide and continentwide inter mission cooperative ministries He was knighted by the Ivoirien government for eminent services rendered to Cote d'Ivoire Ivory in Our Hearts contains photos and maps an 18 page index and a foreword by Dr Clyde Cook president of BIOLA University **American Baptists in Mission**, 1998 **The Best VBS Workbook Ever!** Lisa Brown, 2017 Enables organizers to envision and implement a VBS program customized for the local church Practical comprehensive from the ground up approach to VBS Designing a Vacation Bible School program as opposed to choosing one of the many off the shelf packages is a labor of love It considers the unique perspective of children and invests accordingly It's a home cooked meal compared to fast food It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time Well designed VBS programs speak to children with respect love and patience offering opportunity for authentic spiritual growth not to mention an intentional theology that is reflective of the church Finally custom designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts This book provides Christian educators with the tools they need to assess the needs and resources in their congregation and to craft a creative program in response to that assessment The Best VBS Workbook Ever offers direction and suggestions on theme structure logistics program activities staffing and promotion Audience Episcopal and other mainline churches looking for something more original and thoughtful than typical pre packaged VBS programs Directors of Christian Education Directors of Children's Ministry Camps and Retreat Centers FORMA Kanuga Christian Education conference eFormation network InterGenerate Holly Catterton Allen, 2018-07-10 Leaders in Christian communities are all asking the same question How can we bring the generations back together InterGenerate addresses important questions of why we should bring the generations back together but even more significantly how we can bring generations back together In this edited collection ministers church leaders and Christian educators will find valuable new generational theory perspectives fresh biblical and theological insights and practical outcomes backed by current research InterGenerate offers important guidance on topics including

intergenerational spiritual disciplines transitioning from multigenerational to intergenerational new research that focuses directly on intergenerational ministry and offers practical outcomes to implement and benefits of intergenerational ministry for the most marginalized generations An exciting and distinctive aspect of InterGenerate is the vast diversity of voice men and women ranging in age from millennials to baby boomers representing multiple countries and over a dozen denominations all seeking ways to become more intentionally intergenerational in their outlook and practice Attentive to God Charles M. Wood, Ellen Blue, 2011-12-01 How the pastor reads a situation theologically will define the possibilities for ministry now and for the church's future The pastor's theological lens affects every ministry task This book introduces students to the importance of theological reflection It tells them why theological reflection is crucial to who they are and what they do and it shows them how they can acquire and strengthen their capacity for theological attentiveness Central to Wood and Blue's approach is the conviction that pastoral character and pastoral practice are mutually formative Also through the practice of ministry the pastor's identity is both continually discovered and continually worked on and worked out All pastors must integrate who they believe themselves to be and who they believe God is to be effective leaders **Advocate**, 1982 **The Living Church**, 1961 It's All True Jeff Slaughter, 2013-05-01 Jeff Slaughter is known throughout the world for both his amazing passion in worship leadership and his awe inspiring lyrics estimated to have been sung by forty six million children worldwide Yet what's less known about Jeff Slaughter is the tough journey of heartbreak and loss joy and victory that led him to a place where he could finally share his remarkable story It's All True reveals both the tragedy and triumph of Jeff Slaughter's life Readers will no doubt draw encouragement and great strength from the story of a man who despite difficult circumstances has always found God to be right there with amazing grace seeing him and his family through all obstacles When Jeff tells such stories as witnessing his fourteen year old niece's tragic death at a family Labor Day picnic and the lost battles with cancer fought courageously by both his parents the reader will feel his pain Yet the reader will also experience joy through the many humorous moments of Jeff's life and the new path God has blazed for him Through it all some of his most touching and meaningful songs have come from those experiences including the song entitled It's All True which has provided the theme for Jeff's life **Intervention in Church Conflict** Dorothy R. Dann, 2024-04-02 This book needs to be in the hands of every pastor church leader counselor consultant mediator and leader in higher education organizations the workplace and any other place where there are two or more people having two or more opinions Its goal is to help a congregation or organization build inner resources that could stabilize life together and produce a more adequate and stable organization for the future The approach was a real lifesaver for the author who as a relatively new pastor was appointed to a church in conflict while working toward a degree in counseling Applying her studies in family systems theory and narrative therapy to congregational life she developed a model for conflict intervention in the church and workplace She claims she would have been sunk without the research coursework advisers and the fifty two hours of clinical supervision that went into

it At her new appointment it was clear that members were lost hurting and hampered in using their gifts to build up the whole body Their story as a congregation was saturated with the pain of sustained conflict they longed to be reclaimed by the love of God so that they might bring the healing power of the gospel to others The intervention was highly successful Leaders began interacting in a healthy manner working together toward wholeness They had a new focus on strength not weakness on leadership and health not pathology It had changed from who has the problem to who has the motivation This change in the more emotionally healthy parts at the higher levels in the system began to produce a change in the system as a whole This book is not about quick fixes which do not exist It s about ideas not directions hope not merely well charted diagrams and encouragement not rigid rules The reader will come away with a clearer understanding of their organization as a system the power of presence what it means to be an equipping leader and will be informed as to how to exercise responsibility in effecting a cure
