Leigh, 2022-10-25 Now in e only this new near future sci-fi novel explores the boundaries of what makes us human In the near future humankind has founded colonies on Mars and the inner planets as well as under the oceans populating them via direct genetic manipulation changing us to suit the environment The haves are those who are ecomods genetically modified or surgenmods surgically modified the have-nots are the typics those who haven't undergone modification The typics are forced to live in walled-off filthy and run-down areas held away from the wealthier surgenmods while the ecomods have

formed communities based around their own archetypes insular societies all each with their own particular customs There s a greater wall as well Someone or something has put a sphere of exclusion around the inner solar system an unseen barrier that allows no living being to pass beyond AU 3 0 For all humankind knows this SunWall has existed for only the last half century when the first manned expeditions attempted to reach Jupiter or perhaps it existed for aeons long before humans ever dreamed of flight Sofia is an ecomod but not from a standard race that anyone recognizes She claims to have pierced the SunWall and lived Against increasingly stubborn resistance Sofia and the group of misfits who gather around her attempt to uncover the secret of the SunWall and release humankind from its imprisonment **Tell Me When** Anna
