Goa is India's smallest state in terms of area and the fourth smallest in terms of population. Located on the west coast of India in the region known as Konkan, it is bounded by the state of Maharashtra to the north and by Karnataka to the east and south, while the Arabian Sea forms its western coast.

Panaji (Panjim) is the state's capital, Vasco da Gama (Vasco) the largest city, while the historic city of Margao still exhibits the influence of Portuguese culture. Portuguese merchants first landed in Goa in the 15th century, and annexed it soon after. The Portuguese colony existed for about 450 years (one of the longest held colonial possessions in the world), until it was taken over by Indian government in 1961.

Renowned for its beaches, Goa is visited by hundreds of thousands of international and domestic tourists each year. Goa is also known for its temples and world heritage architecture including the Basilica of Bom Jesus in old Goa, which makes it one of the biggest Christian pilgrimage sites in Asia. Goa also has rich flora and fauna, owing to its location on the Western Ghats range, which is classified as a biodiversity hotspot.

Old Goa or Velha Goa is an historical city that served the capital of Portuguese establishment from the 16th century until the 18th century. Founded by the Bijapur Sultan on the banks of the Mandovi River, today, it is marked by UNESCO as a World Heritage Site. Notable churches such as Basilica of Bom Jesus, Church of St. Caetano Se Cathedral (the seat of the Archbishop of Goa) and the Church of St. Francis of Assisi are found in Old Goa.
