These challenges require a variety of approaches to management, but I think you can see the general idea: get better quality, or just plain improvement, the cheapest. I always remember ^{the old} saying in the stage business: "Good-looking people are being sought, good-looking and cheap." (The second part is important, since I believe we're always being sought.) I'm usually somewhat sympathetic toward efforts that get right the problem, but that, I think, is the real test for these days. When asked:

In this part I didn't pay much attention to Family Groupwork. However, I did think of the term "community" when I thought about how we are very much affected by the community in which I am living. I think of community as something which is shared and supports others. I think of community as sharing, caring, and giving. I think of community as people who are very much affected by the community in which they live. I think of community as people who are very much affected by the community in which they live.
