BOARD OF INLAND REVENUE (B.I.R.)

PLEASE READ THESE INSTRUCTIONS CAREFULLY

The tax return for 2005 is due on 30th April, 2006. A penalty of \$100.00 is imposed on persons required to file a return if the return is filed after 31st October, 2006 and thereafter for every six months or part thereof that the tax return remains outstanding.

It is suggested that each taxpayer make a copy of his/her tax return and keep it for record purposes.

GENERAL

FILING REQUIREMENTS

1. Every individual who is resident in Trinidad and Tobago and in receipt of income is liable to be assessed to tax. The total income accruing to, or derived from Trinidad and Tobago or elsewhere, is required to be reported in his return. A non-resident individual is assessable only on income accruing to or derived from Trinidad and Tobago.

2. The Income Tax Act (ITA) provides that in the case of income which accrues outside of Trinidad and Tobago to a person who is not ordinarily resident or not domiciled in Trinidad and Tobago, the tax is payable on the amount received in Trinidad and Tobago. Where employment or office is exercised in Trinidad and Tobago, tax is chargeable on the total amount of the income from such employment or office whether received in Trinidad and Tobago or not.

3. (a) Every individual in receipt of income from any source whatsoever is required to submit a return except:

(i) A resident individual whose sole source of income is from emoluments;

(ii) A non-resident whose only source of income from Trinidad and Tobago is income subject to withholding tax.

(b) An individual in receipt of income which is exempt from tax under the Income Tax Act or any other enactment is required to file a return of such income.

(c) An individual who in the year of income or in previous years made a loss for which there is an entitlement to claim a deduction in the year of income or in any subsequent year is also required to file a return.

(d) The due date for filing returns is 30th April in each year. It would however, assist the Board of Inland Revenue in early processing of returns if these are filed as early as possible before the due date.

4. Form 1a should be used by all individuals who derive income, gains or profits from the sources specified on Pages 2 and 3. A separate page with Schedules M-W is available on request at all Regional Offices for taxpayers who have income from sources shown on Lines 5, 6, 7, 8, 9 and 10 of Page 3 of the return.

5. All the information required in the return, and the relevant schedules must be supplied. All spaces in the return must be completed. Where there is no income under a particular head write N/A where relevant.

Failure to do so may result in an enquiry and delay in the processing of your return.
