the devastating effects of the war on their physical and mental well being as well as their disillusionment with the patriotic propaganda that inspired them to enlist The novel is considered a masterpiece of anti war literature and the film is expected to be a powerful portrayal of the human cost of conflict The Age of Innocence(Pulitzer Prize for Fiction 1921) Illustrated Edith Wharton,2021-01-23 The Age of Innocence centers on one society couple s impending marriage and the introduction of a scandalous woman whose presence threatens their happiness Though the novel questions the assumptions and mores of turn of the century New York society it never devolves into an outright condemnation of the institution In fact Wharton considered this novel an apology for the earlier more brutal and critical The House of Mirth Not to be overlooked is the author s attention to detailing the charms and customs of this caste The novel is lauded for its accurate portrayal of how the nineteenth century East Coast American upper class lived and this combined with the social tragedy earned Wharton a Pulitzer the first Pulitzer awarded to a woman **Carnal Innocence** Nora Roberts,1991-12-01 New York Times bestselling author Nora Roberts provides a potent mix of small town secrets scandalous romance and down home Southern atmosphere as a young woman searching for some bayou R R finds herself entangled in a serial killer s wicked web Burned out and still reeling from a love affair gone bad world class violinist Caroline Waverly goes to her grandparents home in Innocence Mississippi for some much needed rest and relaxation Instead she finds herself overwhelmed all over again first by Tucker Longstreet a charming local with a sideline in no strings attached relationships and then by a deadlier more disturbing development For Innocence is being stalked by its very own serial killer whose brutal knife blows have pierced the veil of tranquillity in this sleepy Southern town and left a trail of mutilated female corpses in their wake When a federal agent arrives to investigate the town s deepest secrets bubble to the surface and suspicion turns on Tucker as the most likely suspect After Caroline finds the latest murder victim floating in the murky waters behind her house she too is inexorably drawn into the path of a crazed killer who may be closer than she could have ever imagined The Age of Innocence Edith Wharton,1920 Orhan Pamuk Taner Can,Berkan Ulu,Koray Melikoglu,2017-07-25 This collection of essays brings together scholarly examinations of a writer who despite the prestige that the Nobel Prize has earned him remains controversial with respect to his place in the literary tradition of his home country This is in part because the positioning of Turkey itself in relation to the cultural divide between East and West has been the subject of a debate going back to the beginnings of the modern Turkish state and earlier The present essays written mostly by literary scholars range widely across Pamuk s novelistic oeuvre dealing with how the writer often adding an allegorical level to the personages depicted in his experimental narratives portrays tensions such as those between Western secularism and traditional Islam and different conceptions of national identity *The Age of Innocence* Edith Wharton,2021-03-18 The Age of Innocence centers on one society couple s impending marriage and the introduction of a scandalous woman whose presence threatens their happiness Though the novel questions the assumptions and mores of turn of the century New York society it never devolves into an outright

condemnation of the institution In fact Wharton considered this novel an apology for the earlier more brutal and critical *The House of Mirth* Not to be overlooked is the author's attention to detailing the charms and customs of this caste The novel is lauded for its accurate portrayal of how the nineteenth century East Coast American upper class lived and this combined with the social tragedy earned Wharton a Pulitzer the first Pulitzer awarded to a woman Penelope Fitzgerald and the Consolation of Fiction Christopher Knight,2016-09-13 Christopher J Knight's *Penelope Fitzgerald and the Consolation of Fiction* is a study of the British author Penelope Fitzgerald 1916-2000 attending to her nine novels especially as viewed through the lens both of late style she published her first novel *The Golden Child* at age sixty and in her words of consolation that is for doubts and fears as well as for naked human loss As in Shakespeare's late religiously inflected romances the two concerns coincide and Fitzgerald's ostensible comedies are marked by a clear experience of the tragic and the palpable sense of a world that verges on the edge of indifference to human loss Yet Fitzgerald her late age pessimism notwithstanding seeks with the aid of her own religious understandings in each of her novels to wrestle meaning consolation and even comedy from circumstances not noticeably propitious Or as she herself memorably spoke of her own deepest convictions I can only say that however close I've come by this time to nothingness I have remained true to my deepest convictions I mean to the courage of those who are born to be defeated the weaknesses of the strong and the tragedy of misunderstandings and missed opportunities which I have done my best to treat as a comedy for otherwise how can we manage to bear it The recipient of Britain's Booker Prize and America's National Book Critics Circle Award Penelope Fitzgerald's reputation as a novelist and author more generally has grown since her death significantly to the point that she is now widely judged one of Britain's finest writers comparable in worth to the likes of Jane Austen George Eliot and Virginia Woolf **The Age of Innocence** "Annotated" **Literary Fiction** Edith Wharton,2020-07-12 The year is 1775 and social ills plague both France and England Jerry Cruncher an odd job man who works for Tellson's Bank stops the Dover mail coach with an urgent message for Jarvis Lorry The message instructs Lorry to wait at Dover for a young woman and Lorry responds with the cryptic words Recalled to Life At Dover Lorry is met by Lucie Manette a young orphan whose father a once eminent doctor whom she supposed dead has been discovered in France Lorry escorts Lucie to Paris where they meet Defarge a former servant of Doctor Manette who has kept Manette safe in a garret Driven mad by eighteen years in the Bastille Manette spends all of his time making shoes a hobby he learned while in prison Lorry assures Lucie that her love and devotion can recall her father to life and indeed they do The year is now 1780 Charles Darnay stands accused of treason against the English crown A bombastic lawyer named Stryver pleads Darnay's case but it is not until his drunk good for nothing colleague Sydney Carton assists him that the court acquits Darnay Carton clinches his argument by pointing out that he himself bears an uncanny resemblance to the defendant which undermines the prosecution's case for unmistakably identifying Darnay as the spy the authorities spotted Lucie and Doctor Manette watched the court proceedings and that night Carton escorts Darnay to a tavern and asks how it feels to

receive the sympathy of a woman like Lucie Carton despises and resents Darnay because he reminds him of all that he himself has given up and might have been In France the cruel Marquis Evr monde runs down a plebian child with his carriage Manifesting an attitude typical of the aristocracy in regard to the poor at that time the Marquis shows no regret but instead curses the peasantry and hurries home to his chateau where he awaits the arrival of his nephew Darnay from England Arriving later that night Darnay curses his uncle and the French aristocracy for its abominable treatment of the people He renounces his identity as an Evr monde and announces his intention to return to England That night the Marquis is murdered the murderer has left a note signed with the nickname adopted by French revolutionaries Jacques A year passes and Darnay asks Manette for permission to marry Lucie He says that if Lucie accepts he will reveal his true identity to Manette Carton meanwhile also pledges his love to Lucie admitting that though his life is worthless she has helped him dream of a better more valuable existence On the streets of London Jerry Cruncher gets swept up in the funeral procession for a spy named Roger Cly Later that night he demonstrates his talents as a Resurrection Man sneaking into the cemetery to steal and sell Cly s body In Paris meanwhile another English spy known as John Barsad drops into Defarge s wine shop Barsad hopes to turn up evidence concerning the mounting revolution which is still in its covert stages Madame Defarge sits in the shop knitting a secret registry of those whom the revolution seeks to execute Back in London Darnay on the morning of his wedding keeps his promise to Manette he reveals his true identity and that night Manette relapses into his old prison habit of making shoes After nine days Manette regains his presence of mind and soon joins the newlyweds on their honeymoon Upon Darnay s return Carton pays him a visit and asks for his friendship Darnay assures Carton that he is always welcome in their home

Novelists and Novels Harold Bloom,2009 Read what Bloom had to say on the world s great novelists including Miguel de Cervantes Charles Dickens Jane Austen Franz Kafka Ernest Hemmingway and more Pamuk's Istanbul Pallavi Narayan,2022-04-28 This book reconstructs Istanbul through the prism of Orhan Pamuk s fiction It navigates the multiple selves and layers of Istanbul to present how the city has shaped the writings of Pamuk and has in turn been shaped by it Through everyday objects and architecture it shows how Pamuk transforms the city into a living museum where different objects converse along with characters to present a rich tapestry across space and time Further the monograph explores the formation of communal and literary identity within and around nation building narratives informed by capitalism and modernization The book also examines how Pamuk uses the postmodern city to move beyond its postmodern confines and utilizes the theories and universes of Bakhtin Benjamin and Foucault to open up his fiction and radically challenge the idea of the novel The volume will be of great interest to scholars and researchers of literature literary theory museum studies architecture and cultural studies and especially appeal to readers of Orhan Pamuk

After Intimacy Karl

Leydecker, Nicholas White, 2007 Divorce is a conspicuous character trait of modernity commonly portrayed in texts and on screen with its moral and social rationalisation firmly rooted in Enlightenment and Romantic thought The aim of this volume is to bring into focus this contemporary cultural fascination by assembling the variety of academic responses it has started to create Bringing together the reflections of scholars from the UK and North America who have worked in this domain this study offers for the first time a genuinely wide ranging account of the depiction of divorce across the northern hemisphere in a number of media fiction journalism film and television It reaches historically from the intellectual and legal aftermath of the Enlightenment right up to the present day As such the collection shows both the roots of this apparently contemporary phenomenon in nineteenth century literary practice and the very particular ways in which divorce characterises the different narrative media of modernity
