them the imprimatur of the education they were to gain in the era after the Tent Embassy This is an act of radicalisation The Aboriginal participants in subversive political action have now broken through the barriers of access to academia and write as both eye witnesses and also as trained historians lawyers film makers It is another act of subversion a continuing taunt to the entrenched institutions of the dominant culture part of a continuum of political thought and action Larissa Behrendt Professor of Law Jumbunna Indigenous House of Learning University of Technology Sydney The Publishers' Trade List Annual ,1967 Scientific and Technical Aerospace Reports ,1979 Lists citations with abstracts for aerospace related reports obtained from world wide sources and announces documents that have recently been entered into the NASA Scientific and Technical Information Database
