Inside Haunted Spencer State Hospital:

Inside Haunted Spencer State Hospital George Dudding, 2014-11-18 The Spencer State Hospital at Spencer West Virginia was completed in 1893 to relieve the crowded conditions at the Weston State Hospital. It served its purpose as an insane asylum for almost a century until it was closed down in 1989. As with institutions of this type it is embellished with a dark history. In this book the author relates several tales which were told to him by former employees and local citizens about strange happenings at the facility. But in 1992 the author did his own exploration of the facility. What he experienced inside the dark creepy lunatic asylum convinced him that there might be a lot of truth to the rumors and he feels lucky to have made it out alive. A huge retail store now stands on the spot where the long gone mental hospital once stood. Some believe that the ghosts of its former patients will continue to haunt the hallowed ground for an eternity. **Return to Haunted**

Spencer State Hospital George Dudding, 2015-11-24 It was back in 1992 when the author originally investigated the old Spencer State Hospital and later wrote his 2014 book titled *Inside Haunted Spencer State Hospital*. The old asylum no longer exists but several other landmarks remain on the old 184 acre hospital farm which overlooks Spring Creek at Spencer West Virginia. An old clinic building, an abandoned hospital cemetery and an old stone house are still there as a haunting reminder of the institution's grim past, a place where many checked in but never checked out. Now 23 years later the author has gone back in for a final investigation. The results have been written into this latest book *Return to Haunted Spencer State Hospital*.

Beyond Haunted Spencer State Hospital George Dudding, 2016-11-18 Over a span of 24 years the author has researched and investigated Spencer State Hospital in West Virginia. He has written two books titled *INSIDE HAUNTED SPENCER STATE HOSPITAL* and *RETURN TO HAUNTED SPENCER STATE HOSPITAL*. The old mental asylum has been gone for eighteen years now but the author has found himself drawn back by some supernatural force to seek out the truth about its haunted past. Recently after two months of intense investigation he is finally convinced of what he has feared and it is not likely that he will be going back. This new comprehensive book the result of his findings is titled *BEYOND HAUNTED SPENCER STATE HOSPITAL*.

The World's Most Haunted Hospitals Richard Estep, 2016-01-25 A paramedic and paranormal investigator takes readers on a terrifying tour of haunted hospitals, asylums and medical facilities across the globe. Hospitals are the nexus point between life and death, the place into which people enter this world but also exit it. When we consider what has taken place behind the closed doors of hospitals since the inception of the medical profession it should come as no surprise to discover that so many of them are haunted. In *The World's Most Haunted Hospitals* paramedic and paranormal investigator Richard Estep recounts some of the most fascinating and chilling stories of hospital hauntings from across the globe, including the apparitions at an old Utah hospital now a nursing home whose appearances are said to predict a patient's death, the Italian island referred to by locals as the gateway to Hell where the spirits of thousands of plague victims prowl the streets, the terrifying phenomena that keep visitors away from an abandoned airbase hospital in the

Philippines The ghostly nurse who has haunted the corridors of a London hospital for generations *History of Spencer State Hospital* George Dudding,2017-12-08 Spencer State Hospital as it is known by many was originally founded as the West Virginia Second Hospital for the Insane It opened in 1893 at Spencer West Virginia to relieve an overcrowded condition at another asylum in Weston West Virginia With changing laws and modern ways it was closed down in 1989 after fulfilling its mission for almost a century The author has written this book for those who have a desire to know more about the Victorian Gothic structure that once overlooked Spring Creek at Spencer West Virginia **Mama'S Song** Gayle Jennings,2014-11-17 Mamas Song is a portrait of life in the tiny rural community of Elgood West Virginia in the early 1900s It centers around the Higginbothams a close knit farming family and particularly on Maude their youngest daughter It chronicles how their lives are shaped by historical events their own personal choices and the trials they face in an era before modern conveniences and modern medicine They are just an ordinary family none of them pursue or gain worldly fame Even so their unassuming lives are powerful examples of faith perseverance and sacrificial love and the impact that simple acts of kindness have on the lives of others Their journey through life teaches them that love loss and grief are intertwined and will always be so this side of heaven **Possessed Women, Haunted States** Christopher J. Olson,CarrieLynn D. Reinhard,2016-11-02 Since the release of *The Exorcist* in 1973 there has been a surge of movies depicting young women becoming possessed by a demonic force that only male religious figures can exorcise thereby saving the women from eventual damnation This book considers this history of exorcism cinema by analyzing how the traditional exorcism narrative established in *The Exorcist* recurs across the exorcism subgenre to represent the effects of demonic possession and ritual exorcism This traditional exorcism narrative often functions as the central plot of the exorcism film with only the rare film deviating from this structure The analysis presented in this book considers how exorcism films reflect reinforce or challenge this traditional exorcism narrative Using various cultural and critical theories this book examines how representations of possession and exorcism reflect reinforce or challenge prevailing social cultural and historical views of women minorities and homosexuals In particular exorcism films appear to explore tensions or fears regarding empowered and sexually active women and frequently reinforce the belief that such individuals need to be subjugated and disempowered so that they no longer pose a threat to those around them Even more recent films produced after the emergence of third wave feminism typically reflect this concern about women Very rarely do exorcism films present empowered women and feminine sexuality as non threatening In examining this subgenre of horror films this book looks at films that have not received much critical scrutiny regarding the messages they contain and how they relate to and comment upon the historical periods in which they were produced and initially received Given the results of this analysis this book concludes on the necessity to examine how possession and exorcism are portrayed in popular culture **Haunted Inns and Hotels of Virginia** Susan Schwartz,2023-08-21 Virginia s long history and many beauties attract millions of visitors each year and some never leave With some of the oldest inns in the country Virginia has a

multitude of options for travelers to sleep among the spirits The historic Cavalier Hotel is haunted by the ghost of Adolph Coors the beer magnate Market Square Tavern is one of the original buildings in Williamsburg and has some of the oldest haunts including possibly Thomas Jefferson The spirit of Mary Hooker still watches over her beloved home at King George s Bell Grove Plantation The family of the former owner of Natural Bridge Hotel are said to still walk the halls of historic building after he killed them Plan a ghostly journey along Virginia s byways with author and paranormal expert Susan Schwartz *Shuttered Horror Hospitals* Dinah Williams,2011-01-01 Great medical triumphs have taken place at hospitals But are these medical buildings also a great place to go looking for ghosts According to some they are Ghost hunters believe that the spirits of dead people often linger in the locations where they spent their final moments So what better place to look for these restless souls than in a hospital Among the 11 hospitals in this book children will discover a huge medical facility abandoned by everyone but the ghosts of long dead patients a hospital that is so creepy it was used as a set for horror movies and a temporary hospital built on a Civil War battlefield that is now considered one of the most haunted spots in America Chilling tales and the dark histories surrounding these medical buildings will keep readers eagerly turning the pages for more Passport to the Paranormal Rich Newman,2021-09-08 Real American Hot Spots Every state has its spooky paranormal locations This book lists 200 haunted hotels restaurants bars museums and other haunted spaces that you can visit for yourself in all fifty states In Passport to the Paranormal expert ghost hunter Rich Newman explores the nature of each location s activity and provides historical details You also will find photos that help bring the stories alive These active locations are operating businesses so you too can experience the haunts and apparitions Gallivant with ghostly gunfighters at Big Nose Kate s Saloon in Tombstone Arizona Take a twirl with the Lady in Blue at the Moss Beach Distillery in California Try not to get pranked by the Sheriff the resident spirit at the Grand Old Lady Hotel in Balsam North Carolina Discover these and hundreds more stories of hauntings specters and things that go bump in the night in this treasure trove of real paranormal activity City and State Herbert Welsh,1903 *Oversight of VA Hospital Programs in California, 1974* United States. Congress. Senate. Committee on Veterans' Affairs. Subcommittee on Health and Hospitals,1974 The Red Rose of Romance and War John A. Yates,2014-09-15 Wilf Yates joined the army to make a difference but nothing prepared him for his place in history or in the heart of a nurse named Ann Davis As a member of the Australian Imperial Forces Wilf took part in the capture of Mont St Quentin in France one of the greatest achievements of any army in World War One In that fateful campaign Australia suffered some three thousand casualties over three days of fighting but those lives were not lost in vain the victory helped bring the war to an unexpected end Wilfs heroic tour of duty was brought to a halt with a case of common trench foot In the London hospital nurse Ann inspired his imagination What would prompt a young girl to give up a life of relative safety to work amidst the horrors of war She healed more than his body she healed his heart Their love story inspired by the wartime diaries of the authors father will transport readers to the terrifying and heady times of the Great War After the

war ended Wilf returned to Australia to start a new life together in the lonely bush of Australia There he reclaimed his pre war life as a timber cutter and bullock driver to support his new family When World War Two started he answered the call to duty to serve as an army inspector in Newcastle Danger is never far away in this lovely thrilling story of mud blood and romance
