Romanov the fourth son of Tsar Alexander II of Russia set sail from his homeland for an extended journey through the United States and Canada A major milestone in U S Russia relations the tour also served Duke Alexis s family by helping to extricate him from an unsuitable romantic entanglement with the daughter of a poet Alexis in America recounts the duke s progress through the major American cities detailing his meetings with celebrated figures such as Samuel Morse and Henry Wadsworth Longfellow and describing the national self reflection that his presence spurred in the American people The first Russian royal ever to visit the United States Alexis received a tour through post Civil War America that emphasized the nation s cultural unity While the enthusiastic American media breathlessly reported every detail of his itinerary and entourage Alexis visited Niagara Falls participated in a bison hunt with Buffalo Bill Cody and attended the Krewe of Rex s first Mardi Gras parade in New Orleans As word of the royal visitor spread the public flocked to train depots and events across the nation to catch a glimpse of the grand duke Some speculated that Russia and America were considering a formal alliance while others surmised that he had come to the United States to find a bride The tour was not without incident many city officials balked at spending public funds on Alexis s reception and there were rumors of an assassination plot by Polish nationals in New York City More broadly the visit highlighted problems on the national level such as political corruption and persistent racism as well as the emerging cultural and political power of ethnic minorities and the continuing sectionalism between the North and the South Lee Farrow joins her examination of these cultural underpinnings to a lively narrative of the grand duke s tour creating an engaging record of a unique moment in international relations

The Spiritual Churches of New Orleans Claude F. Jacobs, Andrew J. Kaslow, 2001 The New Orleans Spiritual churches constitute a distinctive African American belief system Influenced by Catholicism Pentecostalism Spiritualism and Voodoo the group is a New World syncretic faith similar to Espiritismo Santer a and Umbanda The Spiritual Churches of New Orleans combines a historical account of the emergence of this religion with careful ethnographic description of current congregations At the same time text and photographs eloquently convey the ecstasy at the heart of the Spiritual experience The Spiritual churches began in the 1920s as a women s movement Men later assumed leadership in an effort to legitimate the group within the New Orleans religious community and form associations with Spiritual churches elsewhere in the United States Unlike earlier researchers who treated practices in the churches as expressions of black folk traditions the authors see Spiritual ritual not as based on magic but as the way the sacred is acted out within an African American aesthetic During worship members may be filled by the Holy Spirit as in Pentecostal churches or entertain spirits or spirit guides as in Spiritualism or Voodoo Prophecy and healing are presented as the markers of this faith and the Native American figure Black Hawk as a major symbol of empowerment Based on extensive interviews with church members years of participant observation and careful research in documentary sources this book achieves rigorous conceptual clarity in a straightforward engaging style The Authors Claude F Jacobs holds a Ph D in anthropology from Tulane University He teaches at Oakland University Andrew J Kaslow holds a Ph D in anthropology from Columbia University He is a consultant to international organizations
