The Guide Behind Inspiration Marquis

Mckenzie,2017-04-24 Meet Marquis McKenzie a gifted young man of God who is also a visionary entrepreneur talented novelist and a guidance counselor to many He started out as a normal child in a typical urban household in Durham North Carolina who later transitioned into an adolescent that would become engulfed by the street life This lifestyle consisted of drugs women weapons and all the toys and treats that the children on the devil's playground were surrounded with Wandering down the path of death and destruction smoke and mirrors had led him through experiences that a man twice his age would not believe At the prime age of 39 Marquis recognizes the casualties of his spiritual warfare including a battle that cost him the last 19 years of his freedom During this time he has suffered from the mental and physical withdrawal of being abruptly separated from all that he knew and loved only then to be placed in the midst of the strife and struggles that come with a sentence of life as State property God's grace has granted Marquis wisdom and understanding to know that it takes patience while waiting for his sentence to be overturned The same way God was patient in waiting for Marquis to turn over a new leaf on life
