

FINDING ADVERBS

Read the passage carefully. Underline all the adverbs that you can find and write them in the box below.

Today, I helped my mom cook dinner. We cut the vegetables carefully and placed them slowly into a pot of boiling water. Next, Mom quickly browned the chicken and let it cook through patiently. I waited for my next job eagerly, which was to sprinkle spices gently into the soup. But I accidentally added too much cumin.

I told my mom my mistake quietly, and she sweetly told me that as a child, she had made the same mistake.

place of writing but these teachers claim that good writing demands good grammar At the opposite end of the spectrum are teachers who claim that the best way to learn grammar is to write thereby being forced to use grammar in writing and editing They reason that students will learn grammar in the context of actually using it without all the drills and worksheets They trust the writing process to instill an appreciation for grammar instead of actually teaching it Teachers on the write to learn grammar side claim that students who are only taught grammar rules might pass tests but since they didn't learn in the context of writing they typically don't apply the rules when they write Grammar traditionalists say students in writing classes never learn grammar at all because it is not explicitly taught In *Tools Not Rules* authors Tommy Thomason and Geoff Ward take the middle ground position that grammar should be taught as part of the writing process Tommy Thomason is a veteran journalist and university journalism professor at TCU Geoff Ward is a well known Australian professor and associate dean from James Cook University in Townsville Both have written several books and work extensively with American teachers Publisher's website <http://www.eloquentbooks.com/ToolsNotRulesTeachingGrammarInTheWritingClassroom.html> Living English for Junior High Schools Howard Roscoe Driggs, 1927 Grammar, Usage, and Mechanics, Level 6 Teacher Created Materials, 2005-11-14 This full color resource makes focusing on grammar and writing conventions fun and interesting for Level 6 students with engaging illustrations and photographs The tear out pages of this student workbook provide guided practice activities and special TIME FOR KIDS R Tips for Writers with pertinent information to reinforce the basic building blocks of writing Soluzioni!
