Kincaid,2009-12-14 Most people don t realize Charles Dickens has a biblical foundation Each of the spirits that appear in *A Christmas Carol* directly correlates with an Advent lesson that is found in the Church of England s Book of Common Prayer Perhaps that is what attracts Christians to the story of *A Christmas Carol* Every Advent Christians revisit this old Victorian moral story with its images of snow covered English cobblestone streets the sentimentally portrayed ragged poor and its familiar story line doesn t seem to grow tiresome through the years We revisit this story because it echoes with the ancient lessons of Advent *Hearing the Gospel Through Charles Dickens s A Christmas Carol* is a Christian devotional that uses *A Christmas Carol* as a tool to teach the ancient Advent lessons of Hope Faith Peace Love and Joy Each week s devotion begins with a section from *A Christmas Carol* which dramatizes the Advent Lesson and is followed with a scriptural Advent lesson from the Church of England s Book of Prayer The word Ebenezer is defined in scripture as The Lord is my help 1 Samuel 7 1 2 As we travel through Ebenezer s redemptive healing journey the devotional invites the participants to examine how Christ is born in their past present and future As a Christian pastor I am grieved that the modern evangelical church has diminished the Advent season to a single Christmas Eve service or Christmas Sunday service As a community we no longer spend time preparing our hearts for the season of Christ coming This devotional is for Christians to use as private and family devotions to prepare themselves for the Advent season

**Through the Eyes of Christmas** Ron Davis,2018-08-28 *Through the Eyes of Christmas* Keys to unlocking the spirit of Christmas in your heart by Ron Davis How will you get into the Christmas spirit this year Each December most of us face that same question as we prepare to celebrate Christmas Whether we will admit it to ourselves or not we all yearn for true Christmas spirit in our hearts and homes each year We want our Christmas to be one of peace on earth and goodwill towards men just as the angel announced to the shepherds But after the shopping wrapping and relatives often our Christmas experience is far from peaceful and there is little goodwill to go around We pull out the same decorations put up the same tree in the same corner with the same wreath on the same front door We do the same

Christmas stuff in the same Christmas way as last year and wonder why we get the same result no lasting Christmas joy Is true Christmas spirit a myth Or have we become so preoccupied with the hustle and bustle of the season that we unwittingly buy the secularized version of Christmas It is only then that we discover the substitute the retailers are selling has no real Christmas spirit Our disappointment is that we do Christmas things but still fail to see Christmas spirit in our hearts So how do you find Christmas spirit What are the keys to unlocking Christmas spirit in our hearts Pastors must ask those same questions as they prepare their Christmas sermons Recent research tells us that 90% of Americans celebrate Christmas but over half have forgotten why A majority of Americans now celebrate Christmas as primarily a cultural holiday rather than recognizing the real reason for the season Less than half of the millennials surveyed said they were planning to attend religious services on Christmas What are Pastors going to preach Christmas Sunday that is inspired and anointed And after 2 000 years what can they possibly say that is fresh relevant and will make a real difference in the lives of their parishioners To avoid losing the real meaning of Christmas Pastors need to remind their people of the true purpose the coming of Christmas has for our lives They must rediscover the spirit of Christmas in their hearts But how Through the Eyes of Christmas reveals the keys to unlocking Christmas spirit in your heart By looking deep into the lives of the first Christmas participants the book refocuses our vision to see Christmas from a fresh perspective What were Mary and Joseph focused on that first Christmas night When we relive Christmas by looking through the eyes of Mary Joseph the shepherds the wise men and all of the other well known and some not so well known characters of the Christmas story we discover what they were focused on We see the Biblical truths their stories reveal That brings the true lasting joy of Christmas spirit into our lives When those truths are applied to your life it will be said of you as it was of Charles Dicken s Ebenezer Scrooge he knew how to keep Christmas well if any man alive possessed the knowledge Order Ron Davis compelling and well written book Through the Eyes of Christmas now to make this Christmas your best Christmas ever **We'll Find A Way** Todd R. Carver,2014-09-25 Moving from the city to the country presents big changes and especially so when living off the land becomes a way of life Come along with eight year old Todd and his seven year old sister Carrie as they experience the Carver family s challenging first year in the country We ll Find A Way is an inspiring story based on actual events This heart warming and delightful tale promotes family values faith and the strength to overcome obstacles We ll Find A Way is a book readers can escape into or read aloud to their families **Celebrating the Lectionary® for Preschool and Kindergarten 2015-2016** , Celebrating the Lectionary for Preschool and Kindergarten provides 15 minute Lectionary based catechetical sessions It includes a CD ROM with reproducible send home pages for each Sunday and Holyday of Obligation that families can use to live the message of the Lectionary and celebrate the seasons of the liturgical year **I Don't Believe That Either . . . However** Tucker E. Dawson Jr.,2024-01-24 This book is written for the thinking person who is struggling to believe It does this by presenting Christianity as a matter of relationships Good behavior and correct belief do not build relationships but grow from them The Bible tells

the unfolding story of a relationship given lost and reoffered again and again This is more clear when we begin here below where we are accentuating God s immanence over his transcendence In such an approach optional understandings of church teachings become evident options that are biblically and theologically sound but are seldom offered There is more than one way to skin a dogma These alternatives to many teachings provide hope to those outside the church who wish for something more than competition for material possessions and for those inside the church and struggling to stay We are socialized into a scientific world view in which there is little room for spirituality This tension between science and religion is addressed by the presentation of Christianity that is not anti intellectual rigid or defensive This book shows that we do not need to choose between our worldview and our faith      *Christmas: Myth, Magic and Legend* John Queripel,2024-12-30 A woman both virgin and mother a star moving at walking pace relative to the earth turning then moving in the contrary direction to all other astronomical objects before stopping over a particular town a census called by an empire in such fashion that it would throw its normal efficiency into chaos multitudes of angels declaring a saviour s birth to shepherds with their flocks in the fields during the dead of winter a pogrom carried out by a tyrannical leader to rid himself of a peasant child perceived as threat Does any of this make sense to us in a modern world Are these things believable as literal historical events If not do they still have meaning In *Christmas Myth Magic and Legend* John Queripel digs in and behind the stories to find their essential truth while disregarding the literalisms which get in the way of most people s search Deep and profound truths behind the stories come to life and a whole new and more transformative meaning begins to reveal itself      *Closer to the Real Christmas Story: Insights into the biblical text, history, culture, and geography* Jared Burkholder,2012-03 Closer to The Real Christmas Story explores an alternate telling of the popular Christmas narrative Much more than a children s Christmas story book readers of all ages will be challenged to take a closer look at what the biblical text does and does not say what historically we do and do not know with relative certainty and culturally what we should and should not expect logically Read and studied individually as a family or in a small group this discipleship tool will promote healthy dialogue sharpen critical thinking skills and develop principles of Bible interpretation      **Christmas of God** Ary S. Jr.,2023-10-11 Christmas of God transports us to Bethlehem the humble town where the most extraordinary event in human history unfolded the birth of Jesus Christ Through the author s eloquent prose we walk alongside this ordinary yet chosen couple feeling the weight of Mary s impending motherhood and witnessing Joseph s unwavering faith      *An Abridged History of World Religions* Rex Lentz,2002-06-17 Having reached the age of eighty two years I felt compelled to leave my children and grandchildren a broad if brief understanding of the world religions as I see them I am not a theological analyst but I can approach the subject of religion historically Yesterday s heretic may have a philosophy that could be a main line church today As archaeologists dig scholars study and historians search it reveals an ever changing religious structure The distrust and even hatred between churches that caused so many wars may be easing but has not ended perhaps it never will Understanding through knowledge and love is the only answer It

is most important then to first look at the history of religion and gain knowledge as to why when and how we created such diversity and distrust The answer is described in the pages of history I am not suggesting I can do this better than the fifty books on religion that are on my bookshelves Rather my goal is brevity to tell the story in two hundred pages This will give a taste and flavor of the subject and may hopefully help to understand a neighbor s religion develop tolerance and foster pluralism May God give me the strength courage and wisdom to produce an intelligent manuscript in a brief understanding way
