**Telling the Bees** Peggy Hesketh, 2014-03-04 THE NATIONAL BESTSELLER A lifelong beekeeper Albert Honig is deeply acquainted with the ways and workings of the hives He knows that bees dislike wool clothing and foul language that the sweetest honey is made from the blooms of eucalyptus and that bees are at their gentlest in a swarm But Albert is less versed in the ways of people especially his beautiful courageous and secretive friend Claire A friend and neighbor since childhood Claire was a hovering presence and then a glaring absence in Albert's life a change that has never been reconciled When she is killed in a seemingly senseless accident during a burglary gone wrong Albert is haunted by the loss In the aftermath of this tragedy he is left to piece together the events of their lives to attempt to make sense of their shared past and the silence that persisted between them for a decade before her death What Albert comes to learn is that Claire's secrets were far darker than anything he could have imagined **Finding Home** Kristen Casey, 2017-01-18 When Morgan Flynn goes on safari to escape the shambles her life has become the last thing she expects is more tragedy or to find herself living with a gorgeous game warden for the foreseeable future He may be just the man she needs to help get her life back on track if only she wasn t a wreck and he wasn t her boss Owen Hargreave is feeling restless with his life running a nature preserve in Africa He s far from his New Zealand home and tired of being alone The solution though is anything but simple He s no detective and he s no roque but he ll have to learn to be a little of both if he s going to get what he wants and what he wants is his lovely American housekeeper There is danger all around them as the couple tries to unravel who might be killing off a rare animal in Owen's park If they can do that they just might be able to find their way into each other's hearts and to make themselves a home Finding Home is a full length contemporary romance Book One in the Second Chances series **Encyclopedia of** British Writers, 1800 to the Present George Stade, Karen Karbiener, 2010-05-12 Contains alphabetically arranged entries that provide biographical and critical information on major and lesser known nineteenth and twentieth century British writers and includes articles on key schools of literature and genres The CIA Makes Science Fiction Unexciting Joe Biel, 2013-02-02 These five case studies offer a chilling glimpse into the negligence greed murder and at times comical disorganization behind some of the CIA's most controversial secret operations Science fiction could not have invented the influence the CIA had in the assassination of Martin Luther King Jr the AIDS virus the killing of the leader of the Puerto Rican independence movement the PATRIOT act and the Iran Contra affair Smith makes radical claims but instead of coming across as a raving conspiracy theorist he uses facts to write a believable accessible alternative to mainstream histories that helps readers to contextualize current events and the anti American backlash worldwide Saturday Review, 1959

Arteletra Jason A. Bartles, 2021-04-15 ArteletrA analyzes the Sixties in Latin America in order to revisit the core claim of

literary and cultural studies to political relevancy in the contemporary world the task of making visible the invisible Though visibility can secure rights for the disenfranchised it also risks subjecting them to the biopolitical and capitalist arrangements of space What is at stake in this book is a series of aesthetic and ethical tools for engaging in politics defined here as the potential to disagree without first passing through visibility These tools cohere around a practice Bartles calls the politics of going unnoticed which he derives from an archive of three noteworthy though under appreciated authors who wrote during the Sixties Calvert Casey 1924 69 Juan Filloy 1894 2000 and Armon a Somers 1914 94 For the first time ever Casey Filloy and Somers are put in dialogue with one another to further demonstrate the unique contributions of Latin American writers to contemporary debates about the crossroads of literatures and politics What unites them is their shared investment in stories about those who go unnoticed As a practice going unnoticed creates space and opportunities for queer rural and female subjects among others to step back from unjust institutions As a political discourse going unnoticed deactivates the binary structures of biopolitics e q visible invisible pure filthy friend enemy that divide humans from one another in the service of power and economic inequality Though the politics of going unnoticed was ignored during the Sixties for its apparent individualism these three writers work through alternatives to the politics of visibility that has animated political discourse on the left for the last half century More than a self interested critique going unnoticed opens new possibilities for engaging in the messy business of politics while imagining and creating better communities A Masterclass in Dramatic Writing Janet Neipris, 2016-07-15 A Masterclass in Dramatic Writing addresses all three genres of dramatic writing for theatre film and TV in a comprehensive one semester 14 week masterclass for the dramatic writer This book is tightly focused on the practical outcome of completing a first draft and first rewrite of a dramatic work drawing on Professor Janet Neipris many years of experience as the head of Dramatic Writing at NYU Tisch The fourteen chapters organized like a semester take the reader week by week and step by step through writing a first draft of an original play screenplay or TV pilot while also teaching the core principles of dramatic writing Chapters include Beginnings Creating Complex Characters Dialogue Escalating Conflicts Endings Checkpoints Comedy and Adaptation and there are Weekly Exercises and progressive Assignments This book is perfect for professional writers teachers and students of dramatic writing as well as anyone who wants to complete their first dramatic work An award winning playwright and Professor of Dramatic Writing at NYU Janet Neipris has written for Screen and Television She has also taught dramatic writers at UCLA and in China Australia Indonesia South Africa Italy and in the UK at Oxford CSSD University of Birmingham and the University of East Anglia Previous publications include To Be A Playwright Routledge 2006 Janet Neipris s plays and letters are in the Theatre Collection of Harvard University's Houghton Library For more see www janetneipris com Western Classics, Historical Novels & Tales of the Old West by B. M. Bower (Illustrated) B. M. Bower, 2024-01-16 In Western Classics Historical Novels Tales of the Old West B M Bower crafts a vivid tapestry of life on the American frontier deftly blending historical authenticity with

imaginative storytelling Through a series of meticulously illustrated tales readers are transported to a time when rugged landscapes and pioneering spirits shaped the ethos of a nation Bower's literary style is characterized by rich descriptions and an abiding sense of place echoing the tradition of Western literary classics while engaging in the genre's unique oral storytelling heritage Each narrative is infused with the spirit of adventure camaraderie and the harsh realities faced by early settlers making this collection both a historical document and a tribute to the resilience of the human spirit B M Bower a pioneer female author in a predominantly male genre drew upon her deep seated love for the American West and her own experiences growing up in a frontier community Her works are not only reflections of her keen observation but also an endeavor to elevate the voices of women both in their struggles and triumphs in the West Bower's commitment to authenticity and her passion for storytelling illuminate the complexities of frontier life inviting readers to witness history through a nuanced lens This collection is a must read for enthusiasts of American literature history and folklore as it offers profound insights into the cultural fabric of the Old West Those seeking adventure and a deeper understanding of this iconic period will find Bower's tales both enlightening and richly entertaining capturing the essence of a time when courage and determination paved the way for future generations
