The Love Children

Marilyn French, 2009-09-01 A girl comes of age in the radical 1960s in this beautifully written novel by the groundbreaking author of *The Women's Room* Kate Mosse It's 1968 in Cambridge Massachusetts Jess Leighton the daughter of a temperamental painter and a proto feminist Harvard professor is

struggling to make sense of her world amid racial tensions Vietnam War protests anti government rage her own burgeoning sexuality and bad relationships With more options than her mother s generation but no role model for creating the life she desires Jess experiments with sex and psychedelic drugs as she searches for happiness on her own terms In the midst of joining and fleeing a commune growing organic vegetables and operating a sustainable restaurant Jess grapples with the legacy of her mother s generation while building a future for herself and for the postmodern woman French s meticulous and affecting tale of the forging of one woman s conscience encompasses thoughtful portraits of love children from peace activists to members of unconventional families and a forthright critique of the counterculture that puts today s wars struggles for equality and environmental troubles into sharp perspective Booklist

Daughters of the Most High Joyce Carlin, 2006-09-15 Each of us will come to at least one crossroads in our lives where decisions must be made that will impact both our past and our future If we come to that point as wounded and broken hearted victims of abuse the hope of a brighter day may be unmet Joyce Carlin teacher counselor and survivor provides the answers that can heal and strengthen Christian women who may be struggling with feelings of inadequacy and a lack of self worth This book is an essential tool for emotional healing that contains a gentle and uplifting message confirming who you are in the eyes of an adoring and faithful Father *Don't Judge My Break Through Until You Know My Been Through* Rev. Charles Earl Conaway Sr., Dr. Glennell

Steve Gennaro, Blair Miller, 2021-10-05 *Young People and Social Media* Contemporary Children s Digital Culture explores the practices relationships consequences benefits and outcomes of children s experiences with on and through social media by bringing together a vast array of different ideas about childhood youth and young people s lives These ideas are drawn from scholars working in a variety of disciplines and rather than just describing the social construction of childhood or an understanding of children s lives this collection seeks to encapsulate not only how young people exist on social media but also how their physical lives are impacted by their presence on social media One of the aims of this volume in exploring youth interaction with social media is to unpack the structuring of digital technologies in terms of how young people access the technology to use it as a means of communication a platform for identification and a tool for participation in their larger social world During longstanding and continued experience in the broad field of youth and digital culture we have come to realize that not only is the subject matter increasing in importance at an immeasurable rate but the amount of textbooks and or edited collections has lagged behind considerably There is a lack of sources that fully encapsulate the canon of texts for

the discipline or the rich diversity and complexity of overlapping subject areas that create the fertile ground for studying young people's lives and culture. The editors hope that this text will occupy some of that void and act as a catalyst for future interdisciplinary collections. *Young People and Social Media* and *Contemporary Children's Digital Culture* will appeal to undergraduate students studying Child and Youth Studies and given the interdisciplinary nature of the collection, scholars, researchers, and students at all levels working in anthropology, psychology, sociology, communication studies, cultural studies, media studies, education, and human rights, among others. Practitioners in these fields will also find this collection of particular interest.

Daddy's Little Girl and Mommy's Little Boy Zester Hatfield, 2005. Mr. Hatfield, with all of his years of experience in marriage, parenting, family missions, and in the Church, pulls no punches in calling Christ's Bride to return to His Truth. God's revealed Law Word regarding discipleship, men and women of faith, and grace in Manhood and Womanhood, outrageously successful spousal relations, parenting with training in romance, sexual satisfaction, love, and marriage. He is calling all believers, especially men, to confession and repentance and to receive, understand, and apply these Truths in the Power of the Holy Spirit as the only acceptable response in which God will revive and reform the Family and the Church in the 21st Century. Not for the weak-kneed, weak-minded, or humanistically influenced, this is for Christ's Bride as we prepare for and anticipate His return. These applications of God's revealed Law Word and His uncommon common sense in the lives of America's postmodern Christian culture, and especially the promise of duplicating of these successes for love and marriage in our children, is exciting and challenging to the point of precedent-setting magnitudes. The reader will experience riveting and exciting challenges to the status quo of our present-day Christian culture. Based on interviews with more than 1000 adults nationwide, the survey discovered that less than one out of every five adults believes that children under the age of 13 are being superbly or pretty well prepared for life, emotionally, physically, spiritually, intellectually, or physically. Fewer than one out of every twenty adults believes that America's youngsters are receiving above-average preparation in all five of those areas of life. Americans Agree: Kids Are Not Being Prepared for Life. The Barna Group, October 26, 2004. The couples who discover the answers to the moral morass of our postmodern Christian culture are those who know that the future of their children is in jeopardy and that we are in a war for the control of that future. Sadly, the statistics of broken homes, divorces, adultery, domestic violence, drugs, and promiscuity, to mention only some of the ills of our culture, are almost equally divided between Christian families and non-Christian families. This is unacceptable as a comparison and must change. Consequently, fathers and mothers of faith and grace are those who are and/or who will experience God's promise of victory over these fruits of our fallen nature and live a marriage experience that captures the best of God's gifts of love, sex, and romance in marriage. *Daddy's Little Girl and Mommy's Little Boy* brings us clear evidence of just how America's Christian couples can have this victory in their marriage and how to duplicate this success in their sons and daughters. [Parental Alienation and Family Reunification](#) Pearl S. Berman, Ethan M. Weisinger, 2024-02-01. This book on parental alienation and family

reunification provides family court professionals with critical background in child development dynamics present in violent families and how to evaluate the testimony of experts to ensure it values children's views, best interests of the children and follows evidence-based practice. As laid out in the Child Welfare Information Gateway report 2020, Family court judges should make decisions per the best interests of the child standard. High conflict custody cases make this complicated, especially when reunification services are requested. In the middle of contentious proceedings, judges oftentimes receive conflicting information from parents. Judges and family law professionals can be lead astray relying on unproven constructs and instruments not meeting the criteria of reliability and validity. Mandating victimized children into reunification programs that are neither evidence-based nor trauma-informed can cause further harm to the children. This book will be of interest to those working in the family courts, particularly expert witnesses, clinical psychologists, therapists, children's services workers, including social workers, child protection court workers, mental health professionals involved in child custody decisions and researchers with an interest in parental alienation. The chapters in this book were originally published as a special issue of *Journal of Family Trauma: Child Custody/Child Development*. **Facets** Victoria Addino, 2011-08. Life is full of different paths, sometimes willingly we choose which path to walk upon, other times paths are chosen for us. Alain's true identity has always been unknown, mysterious, unexplainable. Alain mastered the talent to block out the mystery of who indeed she truly is. Alain has managed to keep this void in her life dormant in her mind. This came with serious consequences. Alain Roselle unfortunately did not only block out the void of her unknown identity, Alain blocked out life in general. Read what happens when Alain's negative dormant void awakens, learn how a negative in one's life can blossom into facets of positives. Just Call Me Dad James W. Minton Sr. Jim, 2019-02-05. Do kids come with an owner's manual? This book is about Jim Minton's journey of figuring out how to raise his kids and learning a lot about himself in the process. When Jim's children were born, he focused on raising Division I athletes who would make him look good. He started off as that obnoxious dad we have all witnessed at sporting events. He ended up with thirteen principles for improving himself plus three amazing kids who bring him great joy as they walk in the truth. Jim loves good quotes. He kept a list on the refrigerator as his kids grew up, many of them coming from legendary basketball coach John Wooden. Jim knew his kids were going to find the bad stuff on their phones and in the culture, it was up to him to get the good stuff in front of them. Along the way, Jim discovered that the Bible is the owner's manual he was looking for. *Joyful Sons and Daughters* Fr Dave Pivonka TOR, 2025-01-03. Experience a radical love when you encounter God, not as a Father but as my Father. Jesus makes over 150 references to God as Father in the Gospels. And yet for many, it is a struggle to experience God as a good and loving Father. Fr Dave Pivonka draws from his years of experience praying with people as well as wisdom and personal reflections from respected and relevant voices in the Church to explore what it means to be a son or daughter of God. Whether we were blessed with a healthy experience of fatherhood or come out of childhood with deep wounds, it is God's will for each of us to have a deeper relationship with God.
