Developing Trauma-Informed Teachers Ofelia Schepers, Megan Brennan, Philip E. Bernhardt, 2023-01-01 The vision and development of this edited text are driven by a deep desire to ensure that teacher candidates are thoughtfully prepared to more fully address students needs and create classroom environments that are safe for students and teachers Specifically this text will provide an understanding of how educator preparation programs are providing teacher candidates with the knowledge and skills to effectively utilize an asset based approach to foster resiliency skills that support P 12 students who have or are experiencing trauma This text considers how programs are developing equity focused content curriculum pedagogy to ensure teacher candidates can integrate trauma informed practices as well as develop their own resiliency skills This resource highlights important and relevant tools strategies and approaches for preparing future teachers to implement traumainformed practices within their classrooms In recent years much attention and resources focused on preparing teachers to more comprehensively address acknowledge and understand childhood trauma and the impact it has on students lives inside and outside of the classroom This text will be of interest to all those working in institutes of higher education alternative licensure programs and organizations public schools and districts involved with the preparation of teachers and or professional development of in service educators It has the potential to serve as a catalyst for teacher preparation programs to more intentionally integrate trauma informed practices in meaningful ways and contribute to a glaring gap within the literature focused on the systematic ways in which childhood trauma and resiliency development are being addressed in the preparation of teachers

Think Outside the Gate Melisa Mel, 2017-10-12 Think Outside the Gate is a book dedicated to all those who work or live in any type of incarceration environment It contains a compilation of lesson plans and presentation outlines which can be used as an example of how one can turn any type of lesson into a think outside the gate experience The think outside the gate mind set is a philosophy that Melisa Mel created as the focal point of her lessons and presentations This approach makes it a priority to keep the students focus on everything and anything outside of their limited incarcerating walls This not only instills hope in them but it also better prepares them for when they cross the prison gates to go live back in society Melisa Mel feels that better preparing for reentry into society is the most efficient way to ensure a persons success outside of prison so that they do not return to prison Her hope is that while working or living behind bars a think outside the gate mind set is present at all times as that will tackle recidivism at its very core
