literature or history or considering the complex lives of medieval women It illuminates the milieu and composition process of medieval authors and will in turn fascinate cooking or horticulture enthusiasts The work illustrates how a perhaps fictional Parisian householder of the late fourteenth century might well have trained his wife so that her behavior could reflect honorably on him and enhance his reputation The Good Husband's Guide to Balancing Hobbies and Marriage Steve Chapman,2005 Avid hunter Steve Chapman A Look at Life from a Deer Stand 200 000 copies sold enthusiastically pursues a lifelong hobby while remaining passionate about his wife and home Knowing the perils of spending too much time in the woods he prayed studied God s Word and sought advice The result Nine life changing principles to balancing hobbies and marriage including investing equal finances in his spouse s interests spending more time with his wife than with his hobby communicating desire to be with his family sharing the child rearing load making sure hobby doesn t cause a mess Whether their passion is hunting golf or team sports this guide will help men participate in hobbies and keep their families happy
