

Farewell to First Grade
It's been a great year.
We've made lots of friends.
We've spread lots of cheer.
I'll never forget the fun memories.
But now I bid you farewell
'cause I'm sailing off to Second Grade

Goodbye To First Grade Teacher Poem:

Goodbye: A Story of Suicide Hailee Joy Lamberth, 2020-04-14 The death of a child is a tragedy When the cause is suicide the tragedy is compounded It s not easy to read about or talk about and yet it is so crucial that young adults who feel the world closing in know that ending their lives is not the answer There are people who can help There are people who care A thirteen year old should be enjoying life planning her future anticipating the joys to come Instead and sadly for all who knew her Hailee Joy Lamberth chose a permanent solution to a temporary problem Hailee was an A student bubbling with enthusiasm and love for life She danced wrote poems and attended classes for gifted students She loved playing with her little brother Jacob They d play hide and seek and she d always hide in the same place so that Jacob would find her But her favorite interaction with Jacob was when they rode the Ferris wheel together and got stuck at the top Jacob was afraid but Hailee reassured him We re practically in heaven she tells him Well if we die Jacob says At least we ll be together When she was twelve years old the bullying began First it was a boy in math class who seemed to have a crush on her When she rebuffed him he started sending her mean notes calling her names and spreading rumors about her Then it was a girl in P E who would crash into her when no one was looking Hailee tried to avoid the bullies She decided to drop out of the math class She made excuses to her parents in order to escape and her parents believed her They didn t know that her life was becoming unbearable By the end of the school year Hailee had begun to cut herself It was her way of coping with the constant degradation She overachieved in school in order to keep her parents from asking too many questions A kid who is bullied often becomes an expert liar In seventh grade the bullying increased growing like a cancer Hailee kept up appearances to protect her parents and brother but inside she was suffering Two days after her thirteenth birthday she succumbed to the pain Hailee s parents have decided to not allow her death to be in vain By working with Zuiker Press to tell Hailee s story as if she were able to tell it herself they hope reach out to other young people in crisis and show them that they do have options and to prevent them from bringing the excruciating pain of suicide to their families Their hope is that by sharing Hailee s story they may prevent another young person from making a fatal choice Goodbye A Story of Suicide is the eighth in a series of graphic novels written by young adults for their peers *Getting Personal* Phillip Lopate, 2008-11-05 From the man who is practically synonymous with the form of the modern personal essay comes a delightful collection of prose poems and never before published pieces that span his career as an essayist novelist poet film critic father son and husband Organized in six parts Childhood Youth Early Marriage and Bachelorhood Teaching and Work Fiction Politics Religion Movies Books Cities The Style of Middle Age *Getting Personal* tells two stories the development of Lopate s career as a writer and the story of his life *Promising Practices for Family Involvement in Schools* Diana Hiatt-Michael, 2001-11-01 This volume will address major frameworks for understanding family involvement and government support of family involvement projects in the initial chapters The following six chapters present a theoretical base for
