Paul B. Du Chaillu

Initieacuttee Par Un Viking Les Historiques:

The Viking Age Paul B. Du Chaillu, 2022-05-17 In *The Viking Age* Paul B Du Chaillu delves into the complex tapestry of Norse exploration culture and mythology from the late 8th to the early 11th century His work is characterized by a vivid narrative driven style that combines rigorous historical research with an engaging prose making it accessible yet enlightening Du Chaillu s use of primary sources including sagas and archaeological findings offers readers a profound understanding of the Vikings impact on European history and their role as formidable explorers and traders The blend of mythological references and factual narrative places the text within the wider context of 19th century historical revivalism as the author seeks to illuminate the often misunderstood Viking legacy through a lens of respect and fascination Born to a family of French descent and raised in an environment steeped in both American and European cultures Du Chaillu s insatiable curiosity led him to embark on extensive travels including expeditions to Africa and Scandinavia His unique perspective as an outsider looking in enabled him to challenge prevailing stereotypes of the Vikings emphasizing their sophistication and complexity This background marked by both adventure and rigorous study profoundly influenced his approach to historical writing This book is highly recommended for readers interested in medieval history Viking culture and the intersection of myth and reality Du Chaillu s vivid portrayal invites scholars and casual readers alike to explore a thriving adventurous society that contributed significantly to shaping modern Europe *The Viking Age* not only educates but also inspires a deeper appreciation for the multifaceted heritage of the Norse *Ragnar Lothbrok* University Press Biographies, 2018-01-15 *Ragnar Lothbrok The Extraordinary Viking* From the misty depths of the Early Middle Ages comes the story of a mighty Viking warrior and king named Ragnar Lothbrok The rich oral tradition of Norse legend written down hundreds of years after the events happened sifted the story of Ragnar s exploits through time and poetry to create for Ragnar a lasting image of bravery in the face of the unknown The dramatic tale of Ragnar brings up interesting questions For example was Ragnar a real person If so have the facts about him been exaggerated to the point that they no longer have much basis in reality And if the story has been reshaped by its storytellers what does this say about what the people wanted to hear Also how can Ragnar be called a hero when his most notable feat was invading and plundering Paris As you read Ragnar s story you ll find the answers to questions you may not imagine right now such as Why was Ragnar called Lothbrok the Old Norse word for Shaggy Breeches Through his legend you see a man who had three strong wives and many vengeful sons What kind of father and husband could this man have been Ragnar was certainly no peacemaker He was tall and powerfully built but what about his moral character Modern people might see this Scourge of England and France as a brute and a warmonger and rightly so not exactly in keeping with modern mores Yet even modern people can appreciate what he did for the world We can thank Ragnar s kind for creating trade routes throughout Scandinavia Britain Europe and even into Russia In expanding his empire he aided in the settlement of the regions he conquered Learning about Ragnar s life times

and character can give you a new way to view the world The basic struggle of Ragnar s life was between good and evil but these two concepts are not as clear cut as you might think What Medieval Norsemen saw as good you might see as wicked aggressive and based on self interest alone And what they saw as evil you might see as simply the natural way of the life on this planet As you read this book you can enjoy learning about a character that is larger than life and fascinating in a way only legends can be After you finish reading we suspect you ll want to know more about Ragnar Lothbrok and delve into the poetry that tells his story so beautifully Ragnar Lothbrok The Extraordinary Viking
