**Reliable School Leadership** Jeff Swensson,Lynn Lehman,2021-04-01 Trapped between an encroaching tide of privatization and a rocky theoretical shore educational leadership in America s public schools is ardently

researched and professionally practiced but frequently besmirched and poorly understood Despite the intentions of public educators to engage all students with the original power of education disconnections caused by mandates ideologies and theoretical fuzziness render educational leadership unreliable The capacities necessary for school leadership to function reliably on behalf of all students are well within the grasp of present day public educators But the action or agency sufficient to enacting educational leadership reliably is on hold Educational leadership throughout US public schools is submarined when disconnections and ideological misdirection impede the primary purpose and the moral obligation of public education To fulfill the promises of public education and restore the intentions of educational leadership requires that educators policymakers and proponents of US public education reimagine the interconnections that yield the primary purpose and moral obligation of public education Functional educational leadership is examined throughout this book as the agency necessary and sufficient for public education to discard the forces and factors that impose unreliability

**Educational Leadership and Music** Terri N. Watson, Jeffrey S. Brooks, Floyd D. Beachum, 2017-04-01 In this book we considered new territory for educational leadership by looking to music for lessons and inspiration that may inform the next generation of schools leaders Each chapter focuses on an artist or group whose work serves to refine extend and challenge our thinking in regards to educational leadership You will find a vast array of musical forms of expression analyzed and described by an equally diverse collection of educational leadership scholars and practitioners There may be some who question the academic appropriateness or relevance of a text such as this one Our response is that part of our ongoing mission should be to break ourselves out of academic silos and forge meaningful connections between seemingly disparate disciplines Furthermore educational leadership stands to gain more by drawing from the arts and specifically musical influences Finally music is an obvious part of most of our lives why not explore the ways in which it impacts us on an academic level and not just a personal level In sum we ask that as you read the chapters of this book you reflect on your own musical tastes and favorite artists
