

A close-up photograph of a person's hand holding a pen, poised to write on an open book. The background is slightly blurred, showing more books and papers, creating a studious atmosphere. The text is overlaid in a dark, semi-transparent box.

Funny it is, being a student

Being told what to do,

Not just at college or school

But at home too.

All this, Is it really worth it

You may ask yourself, and rightly so,

Doing what your teachers and parents say

Will it really help you grow.

Reasonable, are these doubts

But to find out, there's only one way,

Build yourself, on all that you learn

And keep learning more, day after day.

Be aware, chase what you want

Trust your intuitions, trust your goal,

Nothing stops you from being great

As long as you got that fire in your soul...
