

## 2<sup>nd</sup> Grade Summer Reading Expectations

### **Why is there a summer reading assignment?**

Studies show that children who do not read or have access to books during the summer lose up to two months of reading performance. In an effort to prevent the "summer slide" from happening, it is important to provide students with summer reading opportunities. Please help us keep the momentum going by encouraging your child to read every day (at least 20 minutes). Other ideas to foster their growth as readers include the following:

- Visit your local library and help your child find books that both interest and challenge them. The library also has excellent programs for teens and pre-teens to get involved with.
- Set a good example. When your child sees you reading and enjoying a book, you are sending a message that reading is important and valuable.

### **How is the summer reading assignment connected to what the students will actually learn next year?**

During your child's 2<sup>nd</sup> grade year, the Humanities and Language Arts curriculum will be closely integrated. The topic of study for 2<sup>nd</sup> grade humanities is Global Issues and Geography, so in Language Arts, students will read many books (both fiction and non-fiction) that take place in a variety of different countries around the globe.

### **What are the exact requirements for the summer reading assignment?**

To receive full credit, your student must...

- ✓ Read at least three books of their choosing from the list provided. The books all fall within the category of "Young Adult World Literature" and students need to read three books that take place in different parts of the world. (Ex. One book based in Asia, one in Africa, and another in Europe.)
- ✓ Record their thinking as they read in the form of a Double Entry Journal. The students did this last summer, so it should look familiar. See the template below.
- ✓ complete one DEJ per book. Each DEJ should include at least ten quotes/passages from the story along with thought/interpretation to the right. This makes for a total of 30 quotes and passages. (Students have been practicing this type of note taking all year, so it should be much easier for them than last summer!)
- ✓ Bring their books and DEJ entries with them the first week of school.
