It also gives users the ability to choose between two excellent scan solutions—Canon's Universal Send and eCopy's ShareScan OP. The unit features Canon's MEAP architecture, which enables it to run embedded applications that add functionality (including eCopy ShareScan OP for MEAP), customize the control panel to streamline workflow and integrate with a range of document management applications. This unit, which offers the lowest supplies cost per page of tested competitive models, is highly recommended for monthly volumes of up to 75,000 impressions.
