James K. Denham,2017-10-24 Have you ever earnestly prayed for Gods guidance yet heard nothing but silence Have you fervently prayed for God to help you with a major issue in your life and yet no answer came for you Have you ever been filled with worry about a problem and it seems that God just stays far away Yet with no guidance to go on you and many other people still must make serious life decisions But they are made with great uncertainty because you dont know if God is with you or will support you in the decision you made With this new way to pray any sincere soul will find a way to open up that communication from God so a clear and loud response to your prayer can be heard If you are honest about wanting an answer to your prayer and if you are a person who is truly seeking Gods will with real integrity and you are willing to be patient and wait for the Lords reply here is a way to get your response Six simple steps are given here to help you state your clear question to God what to do while you wait for Gods answer and to know the exact day you will receive Gods reply This

book will tell you precisely what you can do to obtain Gods clear direction with the specific prayer request you lift up This may seem unbelievable but the proven results of following these six steps exactly as presented in this volume are consistent and reliable in giving you a godly response And this answer you receive can even be double checked if you doubt it The author of this volume has been very slow to publish his findings He has spent over forty years in researching refining testing and retesting this method so that an answer can come for any sincere soul who is an honest seeker in wanting to make an all important connection with God Try it once and discover for yourself exactly what Gods response will be to your sincere prayer request
