How Heavy Is the Mountain Tim Rundquist,2000-09-20 How Heavy Is The Mountain begins in 1986 as a young college graduate Kris Westerberg arrives in Ketchikan Alaska for the first time As a fresh recruit to an Alaskan touring company he faces a summer of unknown adventure and along with two of his companions from the Outside gets to know southeast Alaska through his tour guiding excursions to sites of local color and the occasional fishing mishap Kris returns for another summer of touring in 1987 this time to Skagway Alaska launching site of the Klondike Gold Rush Here Kris and his friends take up residence in a retired Gold Rush era brothel and begin to dig deeply into the local experience not only through touring but also via Slow Bicycle Racing sauna expeditions in the Dyea bush Hot Red Onions and a backcountry trek over the historic Chilkoot Trail In the summer of 1988 Kris is assigned as a guide out of Fairbanks Alaska He is quickly accepted into the fraternity of long haul tour drivers as he begins to make the circuit among Fairbanks Dawson City Denali National Park and many other locales Then in the tiny hamlet of Tok Alaska he meets a very unlikely person Genna the woman of his dreams Their ensuing romance takes them from midnight gardening to a Summer Solstice party through a devastating forest fire and ultimately to a promise to spend an Alaskan winter together in a remote cabin near Skagway The winter of 1988 1989 tests Kris mettle in a wholly new way as he and Genna explore the vagaries of living among the elements together They manage to survive and even thrive despite indiscriminate icestorms unheated Volkswagens and frosty outdoor privies with their relationship and their sanity more or less intact And as the springtime finally dawns Kris begins to realize that rather than being just a tour guide he is becoming a true Alaskan in every sense

How Heavy Is The Mountain is a palette of tones styles and themes At once it is erudite and offbeat informative and entertaining Within its pages a reader encounters narrative travel writing miniature wildlife treatises poetry pointless drinking songs and highly personalized storytelling Overall the story is told with

warmth humor and an affection for its subjects in particular the great land that is Alaska
