From Azusa To Africa To The Nations Second Edition:

Second Edition from Azusa to Africa to the Nations Denzil R. Miller, 2015-02-15 This book is an attempt to point the Assemblies of God in Africa back to its Pentecostal and missionary roots It is my sincere hope that it will serve as a clarion call to the African church to rise up in the power of the Spirit and be all that God has destined it to be The Assemblies of God in Africa has in many ways come to a crossroads Two diverging paths lie ahead The two paths are represented by two different visions of the gospel One is the gospel of personal blessing It says Follow Christ and He will give you health wealth and prosperity This message has become the primary message in many of our churches across the continent The other is a gospel of mission It says Christ died for the sins of all mankind and He has called us His Church to take that message to all nations before He comes again The question is which message represents true Pentecostalism This book contends that it is the second It seeks to demonstrate that God raised up the Pentecostal church not primarily for the personal blessing of its members but to bless the nations in the power of the Spirit Pentecostalism is essentially a last days missionary movement

Africa Bible Commentary, Second Edition Zondervan, 2025-10-28 The first edition of Africa Bible Commentary was a ground breaking publishing event the first one volume Bible commentary produced in Africa by African theologians to meet the needs of African pastors students and lay leaders Interpreting and applying the Bible in the light of African cultures and realities today Now this revised and updated second edition almost twenty years after the release of the first continues to bring powerful and relevant insights into the biblical text Bringing together over 100 gifted scholars from across the continent and interacting with recent scholarship and issues that face African Christians today this new edition raises the benchmark set by its predecessor all those years ago Ideal for students of the Bible and preachers both in Africa and around the world this updated edition has over 40% new and extensively revised commentaries across the Old and New Testament Deepening the contextual relevance of the commentary this second edition boasts seventy five new articles resulting in 122 articles that provide insight into the most pertinent issues facing the church in Africa today Key features Produced by African biblical scholars in Africa for Africa and for the world Section by section interpretive commentary and application More than 70 special articles dealing with topics of key importance for ministry in Africa today but that have global implications 70 African contributors from both English and French speaking countries Transcends the African context with insights into the biblical text and the Christian faith for readers worldwide

Pentecostalism and Catholic Ecumenism In Developing Nations John Segun Odeyemi, 2019-04-29 Through fieldwork research this book seeks to explore Catholic ecumenism and the proliferation of Pentecostalism Using data gathered from four West African countries it additionally endeavors to investigate the sociopolitical impact of Pentecostalism which is growing exponentially and is seen by many as the new face and phase of Christianity on the continent This book puts a search light on the reality of West African Pentecostalism and its relationship with the older Christian traditions It cogently asks if Pentecostalism is a cog in the wheels of the fragile ecumenical work

among West African Christianity and wonders about its impact on the poor existing social economic and political situations common to most West African politics and governments This book is for professionals and students of religion and theology and is useful for the casual reader The Azusa Street Revival and Its Legacy Harold D. Hunter,Cecil M. Robeck Jr.,2009-11-01 In 1906 at 312 Azusa Street in Los Angeles a revival began that set in motion a global movement that has affected half a billion people In The Azusa Street Revival and Its Legacy twenty writers representing the international scholarship of the Pentecostal Charismatic and Renewal communities reflect on the significance of the movement now and for the future Pentecostalism in Africa ,2014-10-16 Within recent decades Pentecostal charismatic Christianity has moved from an initially peripheral position to become a force to be reckoned with within Africa s religious landscape Bringing together prominent Africanist scholars from a wide range of disciplines this book offers a comprehensive and multifaceted treatment of the ways in which Pentecostal Charismatic movements have shaped the orientations of African Christianity and extended their influence into other spheres of post colonial societies such as politics developmental work and popular entertainment Among other things the chapters of the book show how Pentecostal charismatic Christianity responds to social and cultural concerns of Africans and how its growth and increasingly assertive presence in public life have facilitated new kinds of social positioning and claims to political power **Christianity as a World Religion** Sebastian Kim,Kirsteen Kim,2016-11-03 Now in its second edition Christianity as a World Religion locates Christianity within its global context Structured by geographical region it covers Asia Africa Europe Latin America and the Caribbean North America and Oceania It deals with four dimensions of Christianity in each context Christian history churches and society interreligious relations and distinctive worship and theology Study questions and further reading suggestions are provided in each chapter Fully updated throughout this second edition now includes A new chapter covering Christianity in Oceania Further analysis of the early growth of Christianity in Asia and Africa Coverage of research trends in migration theologies of prosperity and the role of local agents in evangelization Coverage of global interconnections and networks new movements global Catholicism Christian political engagement and persecution of Christian communities A thorough revision of the conclusion including reflection on the discipline of world Christianity and its implications for theology 40 images and maps Chapter summaries Extra resources online including a timeline and weblinks New text design and layout making the text more student friendly and accessible Christianity as a World Religion is ideal for courses on World Christianity Christianity as a Global Religion the History of Christianity and contemporary Christian theology **Pentecostalism and Human Rights in Contemporary Zimbabwe** Francis Machingura,Lovemore Togarasei,2018-06-11 This volume offers updated accounts of Pentecostalism in Zimbabwe and explores most of the dominant themes in contemporary Pentecostalism including leadership competition gender youth and prosperity In addition some chapters investigate emerging themes in studies on Pentecostalism such as disability Contributors to this volume situate Zimbabwean Pentecostalism within the larger continuum of global

Pentecostalism and reflect on Pentecostal biblical interpretation the interface between Pentecostalism and African Traditional Religions the use of titles in Zimbabwean Pentecostalism and Pentecostalism's engagement with HIV AIDS The book will appeal to scholars in religious studies and theology religious education disability studies social sciences history political science development studies gender cultural studies and anthropology as well as general readers **The End-Time Harvest** Riaan Engelbrecht, 2023-03-03 Volumes one and two of Revival and Awakenings part of the End Time Series explore what is a real revival and a spiritual awakening Prophetically it delves into what God has been saying for a long time which is that the Lord will sweep the earth with revival in the end times which will ignite many followers with His holy fire What will this revival look like This is the big question and one would rather say it will not be a singular event but a sequence of Godly movements across the globe that will be infectious contagious and real In an awakening the Holy Spirit gives unbelieving people who are dead in their trespasses and sins a new awareness of their needs A revival is connected to the people of God and it is when those who are in churches those who are professing believers are ministered to by the Holy Spirit in such a way that they are renewed in their devotion to the Lord The time is ripe for the one final great harvest yet this calls for the revived church full of the fire of the Holy Spirit to go into the fields to awaken the lost and the forgotten and broken and to bring them into the loving embrace of a God who is full of compassion grace and mercy This is the time of spiritual latter rains and now is the time to welcome the embrace of a God who is real alive and who calls us all into His arms to reflect His beauty and greatness It is not God's Will that any soul should perish but that all men should come to the knowledge of God and be saved God is calling on all believers to cast their net in the deep for the harvest of souls

Encyclopedia of Christianity in the United States George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation William J. Seymour and the Origins of Global Pentecostalism Gastón Espinosa, 2014-08-11 In 1906 William J Seymour 1870 1922 preached Pentecostal revival at the

Azusa Street mission in Los Angeles From these and other humble origins the movement has blossomed to 631 million people around the world Gast n Espinosa provides new insight into the life and ministry of Seymour the Azusa Street revival and Seymour s influence on global Pentecostal origins After defining key terms and concepts he surveys the changing interpretations of Seymour over the past 100 years critically engages them in a biography and then provides an unparalleled collection of primary sources all in a single volume He pays particular attention to race relations Seymour s paradigmatic global influence from 1906 to 1912 and the break between Seymour and Charles Parham another founder of Pentecostalism Espinosa s fragmentation thesis argues that the Pentecostal propensity to invoke direct unmediated experiences with the Holy Spirit empowers ordinary people to break the bottle of denominationalism and to rapidly indigenize and spread their message The 104 primary sources include all of Seymour s extant writings in full and without alteration and some of Parham s theological social and racial writings which help explain why the two parted company To capture the revival s diversity and global influence this book includes Black Latino Swedish and Irish testimonies along with those of missionaries and leaders who spread Seymour s vision of Pentecostalism globally
