

When I leave "it" on the field, I don't just mean my sweat
I could play with all my strength and still live with regret
When I leave "it" on the field, I don't just mean my will
I could garner all my might and be disappointed still
When I leave "it" on the field, I don't just mean my spirit
I could fight with all I have and coach would let me hear it

What I leave upon that field is my heart, indeed my soul
It is everything I have in me dedicated to one goal
I do my best in every play with my body and my mind
And when I think I have given all, still more courage I find

Because my brother next to me seems to have some left
So, I borrow from his reserve, but he will not count it theft
Because our team is a family, some strong when others lack
And just when all may seem a loss, my brother has my back

It's for the team I give my time, in practice and in the gym
It's for the guy who needs my resilience, I do the work for him
So, when I leave "it" on the field, "it" is all I have and more
When we leave "it" on the field, we win, no matter the score
