Graduate Certificate in Museum Studies and Material Culture Reflection Essay

The Museum Studies Certificate Program introduced me to a wealth of perspectives on museological research and challenged me to think critically about the ethics of representation within cultural institutions and museum spaces. Obtaining a Master's degree in American Studies is part of a career change, and the Certificate program gave me the opportunity to step out of my academic comfort zone and apply my research processes to understanding cultural performance as a mode of presentation. The Humble Essay Roy K. Humble, 2023-04-01 The Humble Essay is so much more than a writing textbook. It gives you tools, tips, and tricks that actually explain what a writer does. It doesn't sugarcoat the process or dumb down the very real challenges that entering a college writing space requires. This book is more like a friend. It's the kind of friend that will coach you through a tough time and encourage you, and it will make you laugh while you go through it. It's the kind of friend who holds your hair back when you're sick of writing and gives you the courage to try again. Roy K. Humble is the kind of writing teacher who understands the struggle of learning how to write like a college student and doesn't just tell you what you want to hear. His lessons here are profound but in the sense that they are delivered by someone who wants you to feel included in the conversation about what good college writing should be. He writes to students in language they can understand without becoming English majors and with just enough humor to keep them reading. He writes for faculty, moving step by step through the unadorned guiding principles of effective formal writing so that faculty have a great framework on which to build.
