pirates island gold mark ground

Looking for Gold

Some pirates were sailing on a ship. They liked the fresh air and not having any rules. One day, they met more pirates who told them about an island with gold! Both sets of pirates sailed to the island with a map. They got off the ships and looked for the gold using the map. They saw an X to mark the spot and they dug there. There was a lot of gold and they dug up the ground.

Building a Community of Self-Motivated Learners Larry Ferlazzo,2015-03-12 Award winning teacher blogger and author Larry Ferlazzo is back with more insightful research and strategies for helping students want to care more about school and learning In his previous books on motivation Helping Students Motivate Themselves and Self Driven Learning he tackled ways to help students build intrinsic motivation by how you use class time manage your class encourage students to feel positive about learning help them not feel burned out by testing and more In this book he looks at how teachers can create classroom conditions that are needed for motivation to grow in the first place Ferlazzo provides research based suggestions on what you can do today to help students want to develop qualities like physical health grit flow and a desire to transfer what they re learning to life outside of school At the end of each chapter you ll find high interest lesson plans correlated to the Common Core ELA Literacy Standards that set the stage for long term positive impacts Students will read about sports stars how maintaining a healthy lifestyle can help them achieve their goals and other engaging topics They will integrate information from various texts and make connections to their own lives hopes and dreams a more powerful way to learn to care than being told they should The readings for these lessons and other tools are available as free eResources on our website so you can easily print them for your students Test Talk Glennon Doyle Melton,Amy H. Greene,2023-10-10 Under No Child Left Behind nearly every teacher faces a high stakes balancing act managing the often incompatible responsibilities of teaching students meaningfully or preparing them for standardized tests Through their experiences teaching at a school that struggled to meet state test standards driven by NCLB authors Amy Greene and Glennon Melton discovered a way to raise scores without compromising their strong beliefs about good teaching and learning Their concise and easy to use book Test Talk Integrating Test Preparation Into Reading Workshop includes lesson plans and practice passages as well as sample questions and suggested language to use during lessons This compelling book shows that teachers don t have to choose between best practice teaching and test preparation effective test taking strategies can be integrated into authentic

reading instruction The authors demonstrate how to improve performance on tests without resorting to teaching to the test mnemonic devices or other gimmicks Instead they focus on encouraging student readers to explore tests as a specific genre containing unique language format and cues Throughout the book classroom vignettes show how seamlessly one can weave the test genre into reading workshop and connect those specialized skills to more general reading strategies It is an invaluable resource for any teacher who struggles with how to prepare kids for tests without sacrificing real teaching and learning
