

A child is seen from behind, standing in a field of tall grass at night. The child's arms are outstretched, reaching towards a large, glowing, pinkish-purple orb that floats in the dark sky. The sky is filled with stars and soft, ethereal light. The overall mood is magical and dreamlike.

Heart Of An Indigo Child:

Heart of an Indigo Child Stacy Wylie, 2015-01-04 Spoken Word Artist The Indigo Child SHE shares her dynamic prose in written form **The Complete Idiot's Guide to Indigo Children** Carolyn Flynn, Wendy H. Chapman Dir. MA Ed, 2007-08-07 Forget the Age of Aquarius and hang on tight The term Indigo Children entered the lexicon in 1982 when psychic and author Nancy Ann Tappe talked about the coming Indigo Age in her book *Understanding Your Life Through Color* In this guide the authors explain why Indigo Children require lots of attention they tend to think holistically and intuitively and they process emotions differently Parenting these high level children is a challenge and their years in school may be challenging Articles about the Indigo phenomenon have appeared in newspapers throughout the U S and as far away as Russia over the last few years including one in the New York Times 1 06 Author Wendy H Chapman is considered one of the foremost experts on Indigo Children **The Gentle Heart of the Indigo Children and what You Should Know about Them** Manuela Poggi, Holger Marschall, 2009 **Empowering Your Indigo Child** Wayne D. Dosick, Ellen Dosick Kaufman, 2009-03-01 Since the 1980s people have been writing about the indigo children Today many believe that nearly 80 percent of all children born are indigos These are exceedingly creative high energy perceptive kids who often don't fit in They seem to have an awareness that is light years beyond their age and quite often they are labeled as ADD ADHD or ODD when in actuality they are in the words of the Dosicks simply children of spirit What sets this book apart from other books is that it approaches the issues facing indigos on a spiritual energetic rather than purely cognitive level and it is prescriptive teaching a specially developed set of games that can help heal indigo children both in their own bodies and in their earthly relationships Here the Dosicks name seventeen particular emotional wounds indigos hold in their bodies and give specific exercises for healing each one The games have proven enormously helpful to these often troubled kids even preteens and teenagers They celebrate the children's different ways of perception and calm their agitation The games involve some hands on healing techniques some scripted meditations and other quick and simple techniques Each game takes no more than two minutes to play and this book features 101 black and white photographs showing parents exactly how to use the practices

The Indigo Children Beth Singler, 2017-09-18 The Indigo Child concept is a contemporary New Age redefinition of self Indigo Children are described in their primary literature as a spiritually psychically and genetically advanced generation Born from the early 1980s the Indigo Children are thought to be here to usher in a new golden age by changing the world's current social paradigm However as they are paradigm busters they also claim to find it difficult to fit into contemporary society Indigo Children recount difficult childhoods and school years and the concept has also been used by members of the community to reinterpret conditions such as Attention Deficit Hyperactive Disorder ADHD and autism Cynics however can claim that the Indigo Child concept is an example of special snowflake syndrome and parodies abound This book is the fullest introduction to the Indigo Child concept to date Employing both on and offline ethnographic methods Beth Singler objectively

considers the place of the Indigo Children in contemporary debates around religious identity self creation online participation conspiracy theories race and culture and definitions of the New Age movement

The Indigo Children Lee Carroll, Jan Tober, 1999-05-01 A must for the parents of unusually bright and active children The Indigo Child is a boy or girl who displays a new and unusual set of psychological attributes revealing a pattern of behavior generally undocumented before This pattern has singularly unique factors that call for parents and teachers to change their treatment and upbringing of these kids to assist them in achieving balance and harmony in their lives and to help them avoid frustration In this groundbreaking book international authors and lecturers Lee Carroll and Jan Tober answer many of the often puzzling questions surrounding Indigo Children such as Can we really be seeing human evolution in kids today Are these kids smarter than we were at their age How come a lot of our children today seem to be system busters Why are so many of our brightest kids being diagnosed with Attention Deficit Disorder ADD Are there proven working alternatives to Ritalin Throughout this work Carroll and Tober bring together some very fine minds doctors educators psychologists and more who shed light on the Indigo Child phenomenon These children are truly special representing a great percentage of all the kids being born today on a worldwide basis They come in knowing who they are so they must be recognized celebrated for their exceptional qualities and guided with love and care

The Self-Healing Journey of an Indigo Child Raphael Bashayan, 2021-04-11 I can not explain to you how intense this lifetime has been so far very uncomfortable phases due to my enhanced sensitivity Believe me I have wondered if there is something wrong with me at the end I can only embrace and honor who I am A touching story of an Indigo Child journeying from darkness to Light A must read for all the Star Children who are incarnated in this time on Earth Raphael Bashayan Table of contents Title The Author Introduction Date and location Chapter 1 Heart greetings Chapter 2 Heart Warrior Chapter 3 Star family Chapter 4 I choose myself Chapter 5 What is freedom Chapter 6 Self healing Chapter 7 Trusting the process Chapter 8 I don't like this place Chapter 9 Inner Alignment Chapter 10 Self Acceptance Chapter 11 The only way out is in Chapter 12 I want this now Chapter 13 Beyond limitations Chapter 14 Star whispers Chapter 15 The hidden language of Love

Beyond the Indigo Children P. M. H. Atwater, 2005-09-29 Connects the arrival of a new type of children with the fulfillment of the Fifth World of the Mayan Calendar and other great prophecies Provides detailed information about the world changes that will take place before and after December 21 2012 Explores the seven root races representing the genetic gene pool of the human family and the phenomenon of soaring intelligence Explains the grand sweep of human evolution and the worldwide ascension of energy now occurring which will take humanity to the next level of development According to prophecy the fifth sun or fifth world of the Mayan calendar moves into a higher octave of vibration or ascension on December 21 2012 This date represents a gateway of planetary development that will open humanity to new ways of living and new worlds of opportunity Ancient traditions have foretold that our successful passage through this gateway depends on the fifth root race new stock in the human gene pool destined to help us through the exciting and massive changes ahead In

Beyond the Indigo Children P M H Atwater illuminates the characteristics of the fifth root race the capstone being the extraordinary new children those brilliant and irreverent kids born since 1982 She explores the relationship of the new children to the prophecies in the Mayan calendar and other traditions providing extensive background information about the seven root races the sixth and seventh of which haven't yet appeared and the great shifting of consciousness already underway She reveals the connection of the seven root races to the seven chakras and how the fifth chakra the chakra of willpower will be opened for humankind as the new children grow to maturity She also discusses the phenomenon of soaring intelligence and undeveloped potential and provides concrete guidance and tools for those who seek to understand and help the new children achieve their full potential Beyond the Indigo Children is the first major study of today's children and their place in our rapidly changing world that combines objective research with mystical revelation and prophecy The Indigo Children Ten Years Later Lee Carroll, Jan Tober, 2009-01-15 Join the original authors of The Indigo Children ten years later for a profound and frank discussion these special children why they do what they do and what we can do to help them The Indigo Children Oh yeah I know about them Wasn't there a movie about that They're those special kids who do psychic things and who have dark blue auras right If that's your take on the Indigos then you really need to read this book The Indigo Children are not super psychic kids with dark blue auras In fact the Indigo moniker has nothing to do with auras or being psychic Some of these teenagers are actually the ones who are strapping on bombs and bringing guns to school so you can see that the subject here is far more profound than the sensational hype that often accompanies it This book is all about the children of our planet what really might be happening with them why they do what they do and what we can do to help them and our educators survive all this In addition the Indigos are slowly beginning to join the work force gasp After all this time what do some in higher education say about these kids What do industry leaders say Humanity is evolving so you should definitely be aware of what these individuals are saying It's time to stop the circus that has been created around this subject and get down to finding out how to help these children survive an earth they don't understand or perhaps it's just you they don't understand Join the leaders of education and industry who speak out in this book for a peek into the real issues surrounding the Indigos and perhaps the future of humanity *An Indigo Child's Journey to Loving Herself* River Russell, 2012-02-21 The United States culture teaches us from the time we are very young that we can find love outside of ourselves true unconditional love and feel fulfilled within ourselves you can hear it in songs watch this theory in movies and even experience it by watching couples The truth is that this type of external love is not sustainable or fulfilling for anyone especially sensitive individuals or Indigo Children By being present with one's self and who we truly are we can learn to love ourselves internally first and realize that we do not need anyone to do this for us It can be a challenging message to understand in this externalized culture I walk you through this process and my own personal journey with my personal story and paintings In the conclusion of this book I also offer guidance hope and encouragement for any who have walked a

challenging path or a path in hunger for more growth New Children of Earth Reach, Teach and Inspire Jean Schweizer
Ph.D.,2006-04-17 The New children come in all varieties Indigo Crystal Octarines Magenta Star and there will be many more
They all have one thing in common they live move and breathe in the reality of wholeness They show us a new harmony a
tapestry of Divine Law Any interruption in the way they process life with this harmonious flow and ebb of energy literally
causes them to bounce off the walls There is need to understand the way their energy moves and functions so it may be used
in a productive way This is a worldwide phenomenon New Children of Earth reveals 22 Creation Codes rhythms of
consciousness belonging to the New children the way they move function maintain balance accelerate their development and
most important the way they bring knowledge into wisdom and love to humanity This is break through information on how
children are born with an expanded spirit of wholeness for the creation of a new reality This information helps parents and
professionals deal with one of the most important issues of our times our children and their multi dimensional abilities
Presently the two dimensional way of teaching children is causing great confusion for them resulting in ADHD and other
psychological symptoms Any interruption in the natural flow of information received transmitted and translated causes the
children to literally climb the walls The souls coming to earth need us to help them activate these formless spiritual Cycles of
Love to sustain their life s purpose CODES The energy patterns of this new consciousness provides us with codes Creation
Codes birthed in the New children in accordance with the love and harmony of Universal Law expanding and in harmony
with all galaxies The coupling of polarity is bringing about a change in the way we engage with Universal Law IMPULSE
Together the codes are called IMPULSE which is the nature of this expanded system The movements of each code weave the
vibrations pulses of sound and color as they flow in and out of the body Each code can be done separately however when the
codes are connected they form a tapestry with a specific order and sequence like a Mandela The codes open up the
phenomenon of the New children showing us how to understand and experience them using their way of learning to carry
them forward The codes help us move our consciousness into the future and thereby apply to everyone They are diagnostic
and or treatment tools The pulses emanate from the heart of One directly into the heart of all creating unity harmony and
inter connectedness The properties of each code are presented pictorially with 22 drawings which are done showing children
gesturing making the information more understandable Jean has three self published publications A New Art of Movement
