Hearts of Three Jack London Jack London,2021-01-24 Hearts of Three is an adventure novel by Jack London The novel was finished right before the writer s death and released in 1919 1920 in the New York Journal The novel was written in cooperation with Charles Goddard *Hearts of Three by Jack London* Jack London,2021-06-30 This was my favorite book when I was 10 I have no idea how many times I read it But I didn t remember what it was about anymore so I decided to read it as an adult I didn t have many expectations since as a child one may like something completely different as an adult This book is very different from anything else Jack London wrote It is based on a movie scenery and is more like a soap opera with adventures One thing I didn t like were the characters Very simple Their relationship seems incredibly ridiculous But I guess many books have love at first sight While the male characters are just simple Leoncia is also annoying How can anyone love that selfish brat I liked Queen way more she actually has something And by the description she was also more beautiful view spoiler The book really has a lot of adventures A lot is happening really a lot This is a great thing Although some parts seem to be going by too fast Like there was not enough written I love fast paced adventures but here it felt like something was missing I think I might be overrating this It is a book with a lot happening and yet badly developed characters one doesn t care for and pretty horrible dialogues I still liked it due to action but I have a feeling that if I never have read this as a kid I would have given it a 3 But because it was so special to me back then and I would have probably rated it 10 out of 5 when I was a kid I think it may deserve an extra star It is probably just better to read when one is younger **The Annotated Book of Common Prayer ...
