Carrie Fisher: A Life on the Edge Sheila Weller, 2019-11-12 A remarkably candid biography of the remarkably candid and brilliant Carrie Fisher In her 2008 bestseller *Girls Like Us* Sheila Weller with heart and a profound feeling for the times gave us a surprisingly intimate portrait of three icons Carole King Joni Mitchell and Carly Simon Now she turns her focus to one of the most loved brilliant and iconoclastic women of our time the actress writer daughter and mother Carrie Fisher Weller traces Fisher s life from her Hollywood royalty roots to her untimely and shattering death after Christmas 2016 Her mother was the spunky and adorable Debbie Reynolds her father the heartthrob crooner Eddie Fisher When Eddie ran off with Elizabeth Taylor the scandal thrust little Carrie Frances into a bizarre spotlight gifting her with an irony and an aplomb that would resonate throughout her life We follow Fisher s acting career from her debut in *Shampoo* the hit movie that defined mid 1970s Hollywood to her seizing of the plum female role in *Star*

Wars which catapulted her to instant fame We explore her long complex relationship with Paul Simon and her relatively peaceful years with the talent agent Bryan Lourd We witness her startling leap on the heels of a near fatal overdose from actress to highly praised bestselling author the Dorothy Parker of her place and time Weller sympathetically reveals the conditions that Fisher lived with serious bipolar disorder and an inherited drug addiction Still despite crises and overdoses her life s work as an actor a novelist and memoirist a script doctor a hostess and a friend was prodigious and unique As one of her best friends said I almost wish the expression one of a kind didn t exist because it applies to Carrie in a deeper way than it applies to others Sourced by friends colleagues and witnesses to all stages of Fisher s life Carrie Fisher A Life on the Edge is an empathic and even handed portrayal of a woman who as Princess Leia but mostly as herself was a feminist heroine one who died at a time when we need her blazing healing honesty more than ever **Critical Thinking Unleashed** Elliot D. Cohen,2009-10-16 From alcohol and drug addiction to rage on national highways and in airports many human beings have kept themselves in perpetual turmoil and despair From encroachment on individual rights and liberties to wars of attrition and mass genocide human history has continually repeated itself due to a failure to see the light Containing numerous skill building exercises Critical Thinking Unleashed seeks to cultivate the reasoning skills required to overcome such destructive human tendencies and to live meaningful and productive lives in a democratic society In contrast to other treatments of practical reasoning Elliot D Cohen not only teaches students how to identify and refute irrational premises he also teaches them how to construct rational antidotes to combat the personal social and political obstacles they confront in everyday life Moreover Cohen encourages students to use the theories and ideas embodied in the history of philosophy in order to construct these rational guides drawing examples from many contemporary sources Demonstrating the practical relevance and import of many historically significant philosophers e g Socrates Aristotle Epictetus Hume Kant Mill Sartre and Nietzsche the book presents a practical non technical and comprehensive approach to critical thinking **Forensics** Harry A. Milman PhD,2020-10-29 Carrie Fisher also known as Princess Leia from Star Wars had been abusing cocaine and other pharmaceuticals for many years so when it was announced that she died from sleep apnea I was skeptical A more plausible explanation would have been that she died from a drug overdose A review of the medical examiner s report revealed that the Fisher family refused to give permission for an autopsy and toxicology tests to be done Constrained by these limitations the coroner labeled the manner of death undetermined **FORENSICS** The Science behind the Deaths of Famous People is an analysis and description of how coroners determine the cause and manner of death An investigation of twenty three deaths of famous people was conducted based on a review of publicly available autopsy and toxicology reports as well as published scientific and lay articles Drug use was implicated in 70 percent of the deaths Four celebrity deaths were the result of suicide or homicide Four others were from natural causes Oxycodone Jackie F. Stanmyre,2015-07-15 Prescription drugs are a growing problem in our society Oxycodone is a painkiller that is commonly abused even by people who use it for the right

reasons This book details the benefits side effects drawbacks and staggering costs of this highly addictive narcotic It also contains sidebars on how the drug quickly took over the lives of celebrities on how emergency workers are being armed with antidotes to combat the increase in people overdosing as well as the signs that someone you know has become addicted

Movie Confidential Andrew Schanie,2010-09-29 Truth really is stranger than fiction just look at the film industry The product on the screen is no match for what goes on when the cameras stop rolling Movie Confidential lays out the story behind the story of Hollywood s most sordid true tales Encompassing sex scandal murder and mayhem it dishes the dirt on stars of the past and present From what really happened in Fatty Arbuckle s infamous room at the St Francis Hotel to Eddie Murray s I was just giving her a ride defense from PCP laced chowder on the set of Titanic to Judy Garland s strange visions to mysterious deaths mistakes in filmmaking and a multitude of other irresistible tales this cheeky collection covers the gamut Packed with photos and presented in the style of vintage scandal magazines from the 1950s Movie Confidential is a compulsively readable look at filmdom s seamy underbelly

Drug Use for Grown-Ups Dr. Carl L. Hart,2022-01-11 Hart s argument that we need to drastically revise our current view of illegal drugs is both powerful and timely when it comes to the legacy of this country s war on drugs we should all share his outrage The New York Times Book Review From one of the world s foremost experts on the subject a powerful argument that the greatest damage from drugs flows from their being illegal and a hopeful reckoning with the possibility of their use as part of a responsible and happy life Dr Carl L Hart Ziff Professor at Columbia University and former chair of the Department of Psychology is one of the world s preeminent experts on the effects of so called recreational drugs on the human mind and body Dr Hart is open about the fact that he uses drugs himself in a happy balance with the rest of his full and productive life as a researcher and professor husband father and friend In Drug Use for Grown Ups he draws on decades of research and his own personal experience to argue definitively that the criminalization and demonization of drug use not drugs themselves have been a tremendous scourge on America not least in reinforcing this country s enduring structural racism Dr Hart did not always have this view He came of age in one of Miami s most troubled neighborhoods at a time when many ills were being laid at the door of crack cocaine His initial work as a researcher was aimed at proving that drug use caused bad outcomes But one problem kept cropping up the evidence from his research did not support his hypothesis From inside the massively well funded research arm of the American war on drugs he saw how the facts did not support the ideology The truth was dismissed and distorted in order to keep fear and outrage stoked the funds rolling in and Black and brown bodies behind bars Drug Use for Grown Ups will be controversial to be sure the propaganda war Dr Hart argues has been tremendously effective Imagine if the only subject of any discussion about driving automobiles was fatal car crashes Drug Use for Grown Ups offers a radically different vision when used responsibly drugs can enrich and enhance our lives We have a long way to go but the vital conversation this book will generate is an extraordinarily important step

Encyclopedia of Addictions Kathryn H. Hollen,2008-12-30 This two volume

set contains frank and factual information about symptoms causes effects prevention and treatment of substance abuse alcohol nicotine and drugs and of behavioral addictions such as eating disorders pathological gambling and compulsive sexual activity Including the most up to date research the addiction entries are based largely on criteria established by the American Psychiatric Association in its Diagnostic and Statistical Manual of Mental Disorders Tracing the history of the debate over whether addiction is a choice or a disease the volumes explain how genetic and biological findings support the disease concept while lifestyle choices affect the course of the disease Graphics and discussions of the brain structures that support this self reinforcing mechanism illustrate why treatments that obstruct the pathway are showing such promise

Hope in the Age of Addiction Chip Dodd, Stephen James, 2020-08-04 Between alcohol illegal drugs prescription drugs pornography gambling and eating disorders fully 25% of the population of the United States is addicted to something Those addictions are taking a massive physical emotional spiritual and financial toll on individuals families and communities The problem can feel insurmountable But there is a solution at once ancient and supported by the latest in neuroscientific research With an honest assessment of the facts yet always reaching out toward hopeful solutions counselors Chip Dodd and Stephen James explain what addiction really is how it works and why it is so damaging to our hearts souls minds and relationships They then take us beyond mere coping techniques that allow us to function to the real solution restoring our broken relationship with our Creator so that we can rediscover how to live fully the way we were created to live Each chapter includes the personal story of a recovering addict told from the addict s point of view The authors also include a list of books organizations workshops and treatment centers people can turn to for help along the road to lasting recovery **The Queen of Jamaica** Dr. Joseph Wint, 2012-09-13 The Queen of Jamaica examines our relationship with the crown and explores the possibilities for our future as a people and that of monarchy in Jamaica It is proposed that now is the time for Jamaica to say good bye to Britains Queen Elizabeth as our monarch Before we close this chapter on the British Crown there are a few questions to consider Are we ready for complete independence Is Jamaica inspired enough to take great strides forward on our own Are we prepared to outline a long term strategy for sustainable development and see it to fruition Can we reform Jamaica from within to create a powerhouse of progress and prosperity What will happen to Jamaicans who hold British passports What does it mean to be a Jamaican How will separation from the crown affect our identity as a people Will there be unexpected consequences to going it alone Do we really want to be a republic Is this form of government in keeping with our traditions in governance What will be gained by adopting this model for our political future What will be lost by abandoning the monarchy Why not choose to have our own working monarch Have we grown accustomed to having a lofty figurehead to look up to Are our national interests best served by having such a person for the people to focus on as an example of what a fine and upstanding Jamaican should be Would having such a leader that reflects our nation inspire greatness in our people Learn more about the road to Jamaicas future in The Queen of JamaicaA Crown for Our Empire Cover
